Adviser Self-Service: Student Center

Updated 7/07/2017 Version 2.0

Adviser Self-Service: Student Center

The pages in View My Advisees facilitate adviser access to academic information for meetings and communication between adviser and student. AIS users may look up students on an individual basis using the pages in New/Drop-In Advisees pages. Super-users may attach their (or other users) User ID to a student's ID. This creates a list of advisees on View Advisees Information. Student information is found on the Student Advising Summary and Student Details.

This training manual documents the process by which an adviser looks up student information in AIS.

If you have questions please email the AIS Help Desk (help@ucsc.edu).

Navigating in the Student Advising Summary

Notes: Lesson 1: Navigating in the Student **Advising Summary Page** Detailed information on the Student Advising Summary pages may be found at http://advising.ucsc.edu/student/summary. 5. Personal Information Personal Information displays on every tab: Name, Student ID, Email, Service Indicators (holds), and student requested Non-Release of Public Information (FERPA). 6. Career/Program/Plan The Career/Program/Plan Tab (fig. 1) displays the current degree seeking information. The date in the parentheses is the requirement term (Catalog Rights) for University, Department or College Requirements. **Student Advising Summary** Career/Program/Plan Current Quarter Statistics UCSC Courses Degree Milestones/Groups UCSC. Student ID: 9876543 stuucsc@ucsc.edu (831)555-1234 8/18/2005 Undergraduate (Fall 2001) - Requirement Term (Catalog) Career: Undergraduate (Fall 2001) Program: College: Cowell (Fall 2001) Psychology BA (Fall 2001) Declared Major: (fig. 1) 7. Current Quarter Current Quarter Tab (fig. 2.1 and fig. 2.2) lists Current Term and Class Level information. The Status field indicates if a student is Active to, Withdrawn or Cancelled from the quarter. If Active to the quarter, the number of credits enrolled is displayed. Approved Academic Load displays if a student is Full-Time or Part-Time.

(fig. 2.2)

If a student is on an approved Leave of Absence from the university, Status indicates the Leave of Absence and the returning quarter (fig. 2.3). If the returning quarter does not show, the Leave of Absence was approved after the deadline.

8. Statistics

The Statistics Tab (fig. 3) displays the following:

- a. Effective Term the most recent academic standing. The information displayed on this page reflects this quarter's totals.
- b. Academic Standing Academic Standing for the term.
- c. Grade Point Averages and Balances.

A grade point average is an average of the grade points divided by the credits earned for grade points. UCSC rounds the GPA down at the thousandths (e.g., a GPA of 3.6667 is 3.66). Grade Point Balance is used for students in probationary academic standing. Negative GPB indicates the number of grade points required to return to Good Standing.
