Bachelor's Degree Work Sheet

This page is useful as a checklist while you are completing courses toward your degree. You may have already satisfied some of these requirements before arriving at UCSC. Keep this page and update it throughout your academic career. Bring this along each time you visit your academic adviser. Do not confuse this with the Proposed Study Plan Declaration of Major/Minor (available at your college), which must be signed by your academic advisers and filed with your college before you register for your junior year. This is an informal work sheet for your own records.

General Education

	Satisfied
