# FINAL EXAMINATION POLICIES AND SCHEDULE

In keeping with Academic Senate Policy, final examinations are required of all undergraduate courses unless the department or course sponsoring agency has obtained permission from the Committee on Educational Policy (CEP) to evaluate students in another manner. When finals are administered, they must be completed within a previously announced time limit. Examinations in non-laboratory courses may not exceed three hours' duration.

The examination schedule is printed in this schedule so that you may plan your finals before you enroll in courses. You are responsible for preventing schedule conflicts. If you show up late for an examination, the instructor may bar you from taking it. You may not be able to retake an examination. If you miss an examination due to illness or other emergency, the instructor may agree to give you an "Incomplete" and schedule a makeup examination if your work is passing up to that point.

Examinations are normally not required in laboratory courses or their equivalent, as individually

determined by the CEP. A department may, however, require a final examination in any laboratory course.

## Time and Room

Final examinations are given during exam week at the time announced in the *Schedule of Classes*, in the same room used for class meetings during the quarter.

## Closed Week

No final examinations, tests, or significant quizzes, other than laboratory exams or makeup exams, may be given during the last week of instruction.

## Religious Observance

Given the diversity of religious practice within the campus community, academic and administrative units are encouraged to make reasonable accommodation when the schedule of a required campus event conflicts with an individual's religious creed.

It is the official policy of the University of California at Santa Cruz to accommodate without penalty requests for alternate examination times in cases where the scheduled time for the examination violates a student's religious creed.

Requests for accommodation for religious observance should be made directly to the faculty member in charge of the course within the first two weeks of the term or as soon as possible after an examination date is announced. Faculty are expected to make reasonable accommodation for such requests. Students who are unable to reach a satisfactory arrangement with an instructor should consult the head of the unit sponsoring the course or the campus ombudsman.

## Modifications for Reasons of Disability

Students with verifiable disabilities that require examination modifications will be accommodated in compliance with state and federal laws. This includes students with mobility, hearing, and vision impairments, as well as those with learning disabilities, psychological disorders, and other functional impairments. If requested by a student with a disability, DRC personnel will determine whether modifications are necessary. Students are encouraged to make test-taking arrangements directly with the instructor.

## Early Examinations and Exemptions

Faculty members are not required to grant special examination privileges in order to allow students to leave before the close of quarter, but may do so in extraordinary circumstances. When a final examination is one of the regular requirements in a course, no one taking the course may be individually exempted from it. If you find it impossible to report for a final examination at the scheduled time because of illness or other unavoidable circumstances, inform the instructor; and see if another time can be arranged.

## Take-Home Examinations

If a take-home examination is not assigned until the week designated for final exams, it cannot require more than three hours to complete.

### Determining Your Academic Level

Freshman: 0–44.9 credits

Soph: 45–89.9 credits

Junior: 90–134.9 credits

Senior: 135+ credits

# ENROLLMENT INFORMATION

## Student Responsibility

You are responsible for ensuring the accuracy of your enrollments. Your instructors, academic advisers, and the Office of the Registrar cannot enroll on your behalf. Be sure to verify your classes and grade options prior to the enrollment deadlines listed in the Academic and Administrative Calendar on pages 6–7.

## Get Prepared

Use the following helpful hints to assist you in completing your enrollment. It is recommended that you consult with your academic preceptor or major adviser prior to selecting your classes.

1. Check the listing of courses offered this quarter in this *Schedule of Classes*, and make some preliminary selections. Updated information can be found in the online schedule at [reg.ucsc.edu/soc/](http://reg.ucsc.edu/soc/).
2. Use the Schedule Planner found in this *Schedule of Classes*. With your preliminary selections of classes, complete the planner, making sure the classes you have selected do not conflict with each other or with any other time commitments (i.e., work or extracurricular activities).
3. Enter the 5-digit class numbers into the Schedule Planner. Make sure to have class numbers for mandatory sections and alternates in case the section is full. Completing the above steps will help you to complete your enrollment.

## Holds on Enrollment

A hold may be placed on your enrollment for various reasons including unpaid debts, junior standing without a declared major, and others. When you attempt to enroll in AIS, a hold creates an error message.

## Appointment Times

Students may view their priority enrollment appointment time by logging into [my.ucsc.edu](http://my.ucsc.edu) and clicking on Enrollment and Classes and then clicking on the *Enrollment Appointment* link.

## Appointment Time Problems

If you are not eligible to enroll, consider the following circumstances:

- verify your appointment time;
- if you were anticipating transfer credit to change your academic level, or if you check your credits and still believe the academic level is wrong, call the enrollment Help Line;
- if you planned to study abroad with the Education Abroad Program (EAP) but your plans have changed, contact your EAP adviser;
- if you filed an Announcement of Candidacy, and your plans have changed, reschedule your

candidacy at the Office of the Registrar;

- if you are barred or disqualified, contact your college.

If you cannot determine the reason for your appointment time problem, contact the Help Line.

## Minimum/Maximum Credits

### Standard course loads for UCSC students

Undergraduate students are expected to take a minimum of 15 credits and may enroll in up to 19 credits. Graduate students are expected to enroll in at least 10 credits and no more than 19 credits. If you wish to take a nonstandard course load, meet with your college academic preceptor or graduate adviser. He or she will make sure the new credit limit is entered into the system so that you can go below 15 or over 19 credits.

### When minimum credits are enforced

Prior to the start of instruction to reduce difficulties in processing exchanges, minimum credits are not enforced. Once instruction begins, you will not be able to drop below minimum credits unless you obtain approval from your academic preceptor or graduate adviser. Financial aid recipients should be cautious; certain aid will not be disbursed if enrollment is less than full-time.

### When maximum credits are enforced

Students may enroll in more than 19 credits prior to the first day of instruction. Once instruction begins, enrolling above the maximum allowed credits (19 for both undergraduates and graduates) is only allowed with the approval of your academic preceptor or graduate adviser.

## Class Numbers

Every course has a 5-digit class number which is used for enrollment. The class number appears in the first column in the *Schedule of Classes*. A Y in the second Consent Required column indicates an Interview Only course. To enroll in one of these classes, read the section, Enrollment Conditions for Interview Only Courses, on page 11. Obtain a permission number from the instructor or department in order to enroll.

To enroll in independent study, you must first obtain a petition for independent study at the department, college, or division office. The sponsoring agency will assign a class number, and then you may enroll online. A permission number is also required to add an independent study class.

## Requirements (Prerequisites and Restrictions)

- A class that has a prerequisite means that other courses must be completed or a placement exam must be satisfied before the course can be taken. Classes for which a “D,” “F,” “NP,”

“W,” or “I” is received do not satisfy prerequisite requirements.

- A class with restrictions is available only to certain categories of students.

Refer to Reading the Class Listings, page 77, or to the *UCSC General Catalog* to determine the prerequisites or restrictions of a class.

### Prerequisites satisfied at other institutions

If you believe course work completed at another institution satisfies a prerequisite, contact the department sponsoring the class.

## Secondary Discussion Sections/Labs

### What is a secondary discussion section/lab?

A section is a smaller discussion group or lab class which is taken as part of a credit course, but no credit is awarded. Secondary sections/labs are always listed directly below the main lecture. Not all secondary sections require enrollment.

### When the lecture or sections are closed (full)

If there is space in the lecture, but you cannot find an open section, you cannot enroll in the class. If you have a permission number for the lecture and all the sections are full, call the Help Line at 459-3939 for assistance.

## Concurrent Enrollment

When a note below the class title indicates concurrent enrollment, previous or concurrent enrollment in another class is required. For example, if you enroll in BIOL-169L-01, you should concurrently enroll in the associated class, which is BIOL-169-01.

The term, “concurrent enrollment,” can be confusing. Please note:

- it is not the same as a discussion section (see Secondary Discussion Sections/Labs above);
- it is not the same as concurrent enrollment through UC Extension, in which a person enrolls in a regular UCSC course as an Extension student.

## Class Permission Numbers

A class permission number is a four-digit number which allows you to enroll in a class. It is specific to a class and can be used only once. With AIS, there may be a deadline for using a permission number. Also, after an unsuccessful attempt to add a class, the number can't be used again. **To obtain a class permission number**, consult with the instructor or department.

### What a class permission number can override

A class permission number will override course restrictions and/or prerequisites, and it will override the closed (full) status of a class.

## ENROLLMENT INFORMATION

### What a class permission number CANNOT override

Class permission numbers cannot override time conflicts, your maximum allowed units, holds, or the need to wait until the day after the first class meeting to enroll.

### Time Conflicts

#### Why you might have a time conflict

Courses which have the same start and end times are considered a time conflict. If the printed *Schedule of Classes* does not indicate a time conflict, check online at [reg.ucsc.edu/soc](http://reg.ucsc.edu/soc) for the most up-to-date class information.

#### How to resolve a time conflict

If your classes overlap but you believe that you can complete both classes in spite of the conflict, you should call the Help Line at 459-3939 for assistance.

### Retaining Enrollments

To retain a seat in your classes, you **must** attend the first class meeting. Instructors **may** administratively drop anyone who does not attend.

### Enrolling after Instruction Begins

Attend the first class meeting of any classes you want to add. You must obtain the instructor's permission to add the course. If necessary, the instructor will issue a class permission number. You must wait until the day after the first class meeting before enrolling in the course.

### Verify Your Enrollments

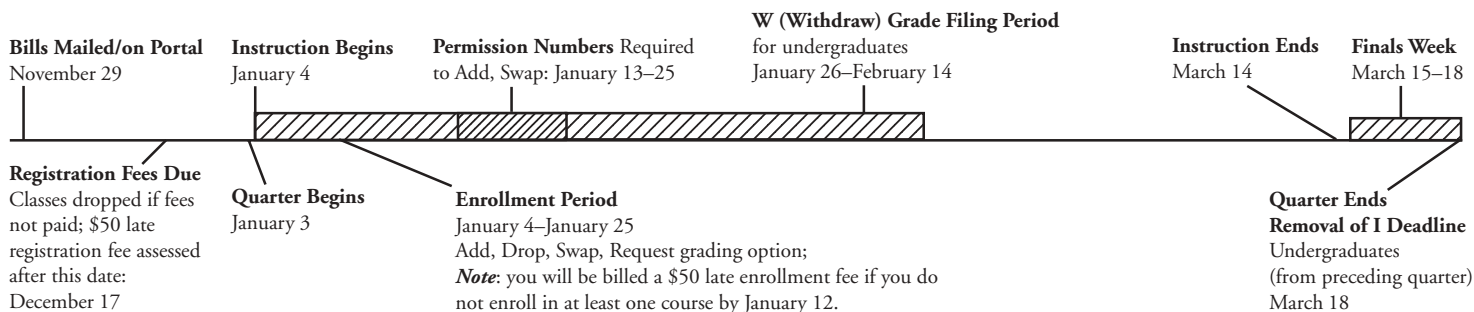

It is recommended that you verify your classes and grade options after you complete your enrollment transactions.

# REGISTRATION PAYMENT INFORMATION

## Billing Statements

### Bills Mailed: November 29, 2004

Registration fees and other charges are due and payable upon receipt of the Statement of Account, but no later than December 17, 2004. Graduate registration fees are due no later than January 12, 2005. Financial aid credits are automatically applied unless you owe over \$100 in previous debts or have failed to turn in requested documents (see the Financial Aid section below).

### Statement of Account Mailing Address

Statements for winter quarter are mailed to the billing address on file; if no billing address was established, billing statements are mailed to the mailing address on file. Please update your addresses to ensure timely delivery of statements. Late fees will not be waived due to an incorrect or outdated address.

You may establish a separate billing address or update your local mailing address online at [my.ucsc.edu](http://my.ucsc.edu). For more information regarding addresses and changing your address, see Address Changes.

If you do not receive a Statement of Account, you are still responsible for meeting payment deadlines. Statements cannot be reproduced, but you can see a copy of your account on the student portal at [my.ucsc.edu](http://my.ucsc.edu). If you have questions about your fees, call the Office of the Registrar at (831) 459-4412; or e-mail [registrar@ucsc.edu](mailto:registrar@ucsc.edu).

Questions about making the payment are answered by Student Business Services at (831) 459-2107 or [oarinfo@ucsc.edu](mailto:oarinfo@ucsc.edu).

## Payment of Fees

**Deadline to pay registration fees is Friday, December 17, 2004, for undergraduates and Wednesday, January 12, 2005, for graduate students. Your classes will be dropped, and you will be assessed a \$50 late registration fee if your payment is not received by the Cashier by 4:00 P.M. on the due date. Postmarks will not be used to validate on-time payment.**

See the Financial Aid section on the following page if:

- you applied for financial aid, but have not been notified of your eligibility; or
- you received your financial aid Offer Letter, but financial aid credits do not appear on your Statement of Account.

If you cannot pay your fees in full by the deadline, sign up for the Deferred Payment Plan (DPP) and pay the first installment by December 17, 2004. Please read about the Deferred Payment Plan for more information.

If you find yourself having to make payment on the due date, you are encouraged to make payment in person to our Cashier's Office to ensure immediate account credit. Payments can be made up until 4:00

P.M. through the Cashier's window or up until 3:00 P.M. through the Cashier's depository (located on the north wall in the Hahn Building) on the due date; all payments received after 4:00 P.M. are subject to late fees. The campus does not accept credit cards for payment.

Graduate students will be assessed the \$50 late fee if fees are not paid by January 12. Graduate student enrollments are not dropped for nonpayment.

See Course Fees for information about course fees.

See Withdrawal during a Quarter for information about refunds for registration fees.

## Returned Checks

If your registration check is returned by the bank, you will be subject to a \$25 returned check fee for the first offense and \$35 for each subsequent returned check and, if applicable, a \$50 late registration fee. You may not enroll for the next quarter if you do not clear the check. Personal checks will not be accepted from students who chronically have checks returned by the bank.

## Late Registration

If you pay your fees and enroll after January 12, you will be assessed both the \$50 late registration fee and the \$50 late enrollment fee. January 25 is the last day to register and enroll.

## Deferred Payment Plan (DPP)

The Deferred Payment Plan (DPP) provides an alternative method of budgeting and paying registration fees. It allows these fees, to the extent not covered by scholarships, loans, or other financial aid, to be paid in monthly installments. Students have a choice of applying for a three-month plan for an individual quarter's fees or for a nine-month plan, at the beginning of the fall quarter only, to be used for the fall,

winter, and spring quarters. A nonrefundable application fee of \$25 for the three-month plan and \$60 for the nine-month plan is required. Any student in good financial and academic standing may apply for DPP. Students receiving financial aid sufficient to cover registration fees in full are not eligible for this plan. For more information about how to apply for DPP, application deadlines, and campus policies regarding the program, contact the Office of Student Business Services at 203 Hahn Student Services Building, (831) 459-2107, or at [oarinfo@ucsc.edu](mailto:oarinfo@ucsc.edu). See the DPP Application on page 22.

## Nonresident Students

If you are classified a nonresident for tuition purposes, and you believe that you will be eligible for resident status for winter quarter 2005, petition for change of residence status at the Office of the Registrar prior to paying registration fees. Petitions must be filed before winter quarter begins. For more information, see [reg.ucsc.edu](http://reg.ucsc.edu).

## Health Insurance

Students who do not waive the health insurance fee by the waiver deadline are covered by the university policy and must pay the insurance fee. Health insurance information and a waiver form are available online at [www2.ucsc.edu/healthcenter](http://www2.ucsc.edu/healthcenter) or call 459-2389 or e-mail [insure@ucsc.edu](mailto:insure@ucsc.edu). For the 2004–05 academic year, the undergraduate insurance fee is \$189 per quarter; graduate students pay \$513 per quarter. Waivers filed in fall 2004 are also effective for winter and spring 2005.

## Part-Time Study for Undergraduates

If you are unable to maintain a full-time program of study because of employment responsibilities, family obligations, or health problems, you may be eligible for a 50 percent reduction in the educational fee and in the nonresident tuition fee (if applicable). To qualify

# REGISTRATION INFORMATION

for reduced fees, you must be approved for the Part-Time Program and be enrolled in 10 quarter credits or fewer. If you exceed 10 credits in a quarter, you must pay full fees. The last day to apply for the Part-Time Program for winter quarter 2005 is January 25.

For information regarding the Part-Time Program, check [reg.ucsc.edu](http://reg.ucsc.edu); or call the Office of the Registrar at 459-4412 before the deadline listed above.

## Financial Aid

Read the sections below which apply to your circumstances:

**You applied for aid, but have not been notified of your eligibility; or you received a Financial Aid Offer Letter, but financial aid credits do not appear on your UCSC Statement of Account.**

The first thing to check is your enrollment. Aid will not disburse until you are enrolled in classes. Then, log on to the Student Portal at [my.ucsc.edu](http://my.ucsc.edu) before the registration deadline and review the following links: "To Do List," "View Holds," and "View My Financial Aid." Be sure you have provided all requested information in the "To Do List." Be sure you have accepted the financial aid you are expecting to receive. Take necessary actions to resolve any "Holds." If you still have questions you may contact the Financial Aid Office at 459-2963 between 8 A.M. and 5 P.M. The Financial Aid Office is located at 201 Hahn and is open weekdays from 9 A.M. to 4 A.M. (except Fridays, when it opens at 10 A.M. and closes at 2 P.M.). The e-mail address is [fin\\_aid@ucsc.edu](mailto:fin_aid@ucsc.edu).

**Your financial aid credits have appeared on your UCSC Statement of Account.**

You must use your own resources to pay any balance by the deadline in order to keep your place in the classes in which you enrolled.

If the amount due on your statement is 0, or if it shows a credit balance, you are not required to take any action.

If your statement has a credit balance, this is the amount we owe you. If you have authorized electronic funds transfer (EFT), the funds will be disbursed directly to your personal bank account on the first day of the quarter; otherwise a check will be mailed to your local address on the first day of the quarter.

## Electronic Funds Transfer or Check for Financial Aid Refunds

Student Business Services (SBS) will use EFT to deposit financial aid refunds into your personal bank account. EFT assures that you receive financial aid in the most efficient and direct manner. Obtain the EFT authorization form (see page 19 for a copy of the EFT form) in person or online at [www2.ucsc.edu/accts-rec](http://www2.ucsc.edu/accts-rec) and return the completed form to SBS (203 Hahn Student Services Building) by December 17, 2004, to guarantee that EFT will be set up in time for win-

ter quarter. If EFT has not been authorized, a check will be generated and mailed to your local address.

## Withdrawal During a Quarter

You may find it necessary to withdraw from UCSC during a quarter. File a Petition for Withdrawal/Leave of Absence at your college office. Return your student ID with your petition. Refunds of any registration fees cannot be made unless your ID card is returned. The effective date for determining a refund of fees is the date the student notifies the college of the withdrawal. It is presumed that no university services are provided to you after withdrawal from the university with the exception of leave of absence benefits (also, see Withdrawal/W grade information on page 27). Graduate students should contact the Division of Graduate Studies.

### Withdrawal and Financial Aid Recipients

A financial aid adviser will receive and process your withdrawal petition. Depending on the withdrawal date, you may be billed for some or all of the aid you received. If you plan to return to UCSC a subsequent academic year, remember to meet the March 2 and May 1 deadlines each year in order to be considered for all forms of aid available. Students who submit requested documents after May 1 will be packaged on a funds-available basis when all documents have been received. This means that the most desirable funds, such as University Grant and Federal Work-Study, may no longer be available after May 1, 2005. Go to the Financial Aid Office for more information.

### Withdrawal and Deferred Payment Plan

If you contracted for the Deferred Payment Plan (DPP), and you withdraw before completing all your installments, you may still owe registration fees as determined by your date of withdrawal. After filing your withdrawal petition, call the Office of Student Business Services at 459-2107 for more information.

### Refund of Fees

If you withdraw from UCSC after paying your registration fees, the withdrawal may cause an overpayment to your account. Refunds are issued approximately three weeks after the completed petition is filed at the Office of the Registrar. For students who have authorized EFT, the refund is issued in the form of an electronic funds transfer; otherwise, it is mailed to the address indicated on the withdrawal petition.

A full refund of the registration fees will be granted to a student entering the armed forces before the sixth week of the quarter. For UCSC policy on students interrupting studies because of military service, click on the Veteran Services link on the Office of the Registrar's home page at [reg.ucsc.edu](http://reg.ucsc.edu).

## Leave of Absence

Any undergraduate student who has completed at least one quarter at UCSC and is withdrawing may request a leave of absence by completing an application available at his or her college office. A leave of absence is defined as a planned interruption in your education and may be granted for up to three quarters. The intent of this service is to make it possible for you to suspend your academic work and eliminate the need

## Financial Implication of Withdrawal

Your registration fee assessment will be adjusted as determined by the effective date of the withdrawal. If the effective date is on or before the first day of instruction (see the Academic and Administrative Calendar, pages 6–7), your fees will be adjusted as follows.

- *New students:* all fees reversed except the nonrefundable \$100 statement of intent to register fee.
- *Continuing and reentering students:* all fees reversed except a service charge of \$10.

If the effective date is on or after the first day of instruction, fees will be adjusted according to the following schedule, which refers to the elapsed calendar days beginning with the first day of instruction:

first day of instruction	100%	of assessed fees reversed
2–7 calendar days	90%	of assessed fees reversed
8–18 calendar days	50%	of assessed fees reversed
19–35 calendar days	25%	of assessed fees reversed
36 calendar days and over	0%	of assessed fees reversed

**Note: this refund schedule is subject to change.**

For new students, the nonrefundable \$100 statement of intent to register fee is withheld from the university registration fee; and the schedule above is applied to the balance of fees assessed. *Note:* there is a different schedule for entering frosh receiving federal financial aid who withdraw during their first quarter. For more information, contact the Office of the Registrar, 459-4412.

The \$40 leave of absence application fee entitles you to use services available at the offices of the Career Center, Off-Campus Housing, Family Student Housing, and some computer labs, as well as to obtain discounts on transportation and other benefits. Students on leave of absence must contact the CATS Information Resource Center to avoid account closure. The application fee is nonrefundable and non-transferable.

For information about retaining your university computer account while on leave, phone Communications and Technology Services at 459-HELP; or

e-mail CATS at [infocat@ucsc.edu](mailto:infocat@ucsc.edu).

## Readmission

Students who take a break from UCSC but are not on leave of absence must apply for readmission. You are encouraged to file your application for readmission as soon as you know you are returning but no later than the date in the Academic and Administrative Calendar. The registration fee payment procedure for readmitted students is the same as for continuing students. Readmitted students are expected to meet the enrollment and fee payment deadlines.

## Deferred Payment Plan Application

The Deferred Payment Plan (DPP) allows your registration fees, to the extent not covered by financial aid, to be paid in monthly installments. To apply for DPP, complete and return this application with the appropriate nonreturnable application fee (see below) to the Office of Student Business Services, 1156 High St., 203 Hahn Student Services, Santa Cruz, CA 95064. The application, fee, and the first installment are due before the quarter begins. DPP applies to registration fees only; health insurance is not included in DPP. Please contact the on-campus Housing Office at (831) 459-2394 to arrange a housing payment plan. Make checks payable to UC Regents.

## UCSC Undergraduate Grading Policies

	① Undergraduates Entering UCSC Fall 2001 and After	② Undergraduates Entering UCSC Fall 1997-Spring 2001
<b>Enrollment</b>	<p>① The Pass/No Pass option is available only to students in good academic standing.</p> <p>① ② The grading option may be changed up to the 15th day of instruction.</p>	<p>② When enrolling, students choose either letter grading or Pass/No Pass grading.</p>
<b>Withdrawal</b>	<p>① ② After the last day to drop a course, students may withdraw from a course whether enrolled for a letter grade or for Pass/No Pass grading. The Academic and Administrative Calendar lists deadlines for withdrawing from a course.</p>	
<b>Grades</b>	<p>① ② If enrolled in a course for a letter grade, students will receive a grade of A+, A, A-, B+, B, B-, C+, C, D, F, W (Withdraw), I (Incomplete), or IP (In Progress). If enrolled in a course for Pass/No Pass, students will receive a grade of P (Pass), NP (No Pass), W (Withdraw), I (Incomplete), or IP (In Progress).  <b>Note: beginning fall 2001, NP grades earned appear on official transcripts like all other grades.</b></p>	
<b>Evaluations</b>	<p>① ② For each course in which credit is earned, whether letter graded or Pass/No Pass, all students will receive an evaluation. Evaluations are a permanent part of the academic record. All students may request transcripts either with or without evaluations.</p>	
<b>UCSC Grade Point Average</b>	<p>① For all students, a UCSC GPA is calculated from UCSC courses, courses taken through the Education Abroad Program, and courses taken on another UC campus in an intercampus exchange program. The UCSC GPA is displayed on the official transcript. Courses taken through the Domestic Exchange Program and UC Extension are not calculated in the UC or UCSC GPA.</p>	<p>② Students who have received a letter grade in at least two-thirds of their credits attempted at UCSC have a UCSC GPA calculated and displayed on their official transcripts. Students who receive letter grades in fewer than two-thirds of their UCSC credits attempted are not eligible for a UCSC GPA. Courses taken through the Domestic Exchange Program and UC Extension are not calculated in the UC or UCSC GPA.</p>
<b>UC Grade Point Average</b>	<p>① ② All students have a UC GPA calculated from courses taken for a letter grade at UCSC, at other UC campuses, and through the Education Abroad Program. Your UC GPA must be at least 2.0 in order to graduate. Courses taken through the Domestic Exchange Program and UC Extension are not calculated in the UC or UCSC GPA.</p>	
<b>Satisfying Requirements</b>	<p>① Departments may require that some or all courses used to satisfy the major must be taken for a letter grade.</p> <p>① ② A course graded D or F cannot be used to satisfy a course prerequisite or to satisfy major or general education requirements. Credits earned with a D will not count toward satisfactory academic progress. Any course graded P is equivalent to a C or better and can be used to satisfy general education requirements and will count towards satisfactory academic progress.</p>	
<b>Incompletes</b>	<p>① ② The notation I (Incomplete) may be assigned when work for a course is of passing quality but is not complete. Prior arrangements must be made with the instructor for a grade notation of I. To remove the Incomplete, the student must file a petition and the completed course work by the deadline on the last day of the following quarter. If an I is not removed by the deadline, it will lapse to F or NP, depending on the grading option in effect. The F and the NP will appear on official transcripts, along with the removal of Incomplete notation.</p>	
<b>Repeats</b>	<p>① ② Undergraduates may repeat courses in which they earn a D, F, or No Pass. Courses in which a D or F is earned may not be repeated on a Pass/No Pass basis. Courses in which a grade of No Pass is earned may be repeated on the same basis or for a letter grade. Students may only repeat a maximum of 15 credits for courses in which a grade of D or F was received. In computing the GPA for these repeats, only the grade and corresponding grade points earned the last time the course was taken will be used. After the 15-credit maximum is reached, the GPA will be based on all grades assigned and total credits attempted. Repetition of a course more than once requires approval of the student's college. Credit is not awarded more than once for the same course, but the grade assigned each time the course is repeated will be permanently recorded on the official transcript.</p>	
<b>Graduation Requirements</b>	<p>① No more than 25 percent of the UCSC credits applied toward graduation may be graded on a P/NP basis. This includes any credits completed in the Education Abroad Program or on another UC campus in an intercampus exchange program. Departments may require that some or all courses used to satisfy the major must be taken for a letter grade.</p> <p>① ② Students must complete all requirements for the major with a grade of P, C (2.0), or better. All undergraduates, regardless of when they entered UCSC, must meet the minimum UC GPA requirement of 2.0 in order to receive a degree from the University of California. See the statement of catalog rights regarding graduation requirements in effect for each student.</p>	<p>② There is no limit on the number of credits graded Pass/No Pass which may be applied toward graduation.</p>

# EVALUATING UNDERGRADUATE ACADEMIC PERFORMANCE

## Pass/No Pass Grading Option

Students may elect the Pass/No Pass grading option and may change their grading option in a course up to the 15th day of instruction. For the Pass/No Pass option, students receive a P for work that is performed at C or clearly passing level or better. For work that is not clearly passing, no academic credit is awarded; and students receive a NP (No Pass). **Beginning fall 2001, the grade notation NP appears on the official transcript in all cases, regardless of when a student was admitted.** For work that is passing, but incomplete, the grade notation I (Incomplete) may be issued.

## Pass/No Pass Only Courses

The following courses are not available for a letter grade:

College Academic Success Courses  
Student Directed Seminars: Courses Numbered 42  
College Nine 193, 193F  
College Ten 193, 193F

Psychology 193, 198  
Theater Arts 45  
Writing 10A-B-C, 11A-B-C, 20, 21, 22, 180, 191D

## In Progress Notations

The notation IP (In Progress) is reserved for a single course extending over two or three terms of an academic year. The grade for such a course may be awarded at the end of the course and shall then be recorded as applying to each of the terms of the course. A student satisfactorily completing only one or two terms of a course, extending over two or three terms of an academic year, will be given grades for those terms. The grade option selected in the first quarter of the multiple term sequence applies to all quarters of the sequence.

## Grade Changes

Incomplete grade notations of "I" must be changed to final grades, based upon work submitted to the instructor, within the deadline for Incompletes. Other grade changes can be made by the instructor only on the basis of clerical or procedural error and never on the basis of reexamination or completion of additional work.

## Accessing Grades by Web and Phone

You may access your grades for any quarter via the Student Portal. Grades are usually available about one week after the end of the quarter.

## Catalog Rights

Effective for all those who entered in fall quarter 1993 or after, students may select the *UCSC General Catalog* they will follow to meet their requirements from either the one published at the time of entering UCSC or a subsequent catalog. A student must follow the chosen catalog in its entirety. This applies to UC, college, general education, and major requirements.

Students transferring from other collegiate institutions may elect to meet as graduation requirements one of the following:

- those in effect at the time of transfer to UCSC;
- those subsequently established; or
- those in effect when the student entered a previous collegiate institution, provided that entry was not more than three years prior to the time of transfer to UCSC.

Students who seek readmission to UCSC after a break in attendance greater than two years (six regular quarters) must adhere to the graduation requirements in effect at the time of readmission or those subsequently established.

Students who entered prior to 1993 should see an adviser. Their catalog year for graduation, whether

the year they entered UCSC or a subsequent year, will be decided at the discretion of their major department and/or their college.

Your catalog year will initially be set for the year you first enroll at UCSC. You may select another catalog year when you file your Proposed Study Plan/Declaration of Major/Minor. All requirements for graduation outlined in the catalog you select must be met before you can graduate.

To change your catalog year, you must submit a new Proposed Study Plan/Declaration of Major/Minor through your college.

## Undergraduates Who Entered UCSC Prior to Fall 1997

Guidelines for undergraduates who entered UCSC between fall 1997 and spring 2001 also apply to undergraduates who entered UCSC prior to fall 1997, with the following exception: those who entered prior to fall 1997 may elect letter grades, but a grade-point average will not be displayed on the official transcript. All undergraduates, regardless of when they entered UCSC, must meet the UC minimum GPA requirement in order to receive a degree from the University of California: 2.0 calculated from all UCSC letter-graded courses and from all letter-graded courses taken at other UC campuses and through the Education Abroad Program.

## Grade Point Average

The grade point average is determined by dividing the number of grade points earned by the number of credits attempted for a letter grade. The number of grade points earned for a course equals the number of grade points assigned multiplied by the number of course credits. For example, suppose a student takes three 5-credit courses and receives grades of A-, B-, and C+.

Grade	Grade Points	Course Credits	Total Grade Points
A-	3.7	5	18.5
B-	2.7	5	13.5
C+	2.3	5	11.5
Total		15	43.5

$$43.5 \text{ divided by } 15 = 2.9 \text{ GPA}$$

Grade points are assigned to each letter grade as shown below.

Grades shown in bold (W, I, IP, P, NP) are not included in the UCSC GPA.

A+ = 4.0	B+ = 3.3	C+ = 2.3	F = 0.0	<b>IP = 0.0</b>
A = 4.0	B = 3.0	C = 2.0	<b>W = 0.0</b>	<b>P = 0.0</b>
A- = 3.7	B- = 2.7	D = 1.0	<b>I = 0.0</b>	<b>NP = 0.0</b>

# EVALUATING GRADUATE ACADEMIC PERFORMANCE

## Graduate Students

### Satisfactory/Unsatisfactory Grading and the Letter Grade Option

Beginning fall 1997, all graduate students in graduate or undergraduate courses will be graded Satisfactory (S) (equivalent to a B or better), Unsatisfactory (U), or Incomplete (I). Graduate students also have the option of receiving a letter grade of A, B, C, D, or F in most courses. The grades of A or B shall be awarded for satisfactory work. Grades of C or D will not satisfy any course requirement for a graduate degree at UCSC.

In order to receive a letter grade, you must enter your letter grade request no later than the 15th day of instruction for **each class** in **each quarter**.

### Evaluations

Graduate students receive an evaluation for each credit course in which they enroll.

### Incompletes

An Incomplete grade notation may be assigned when the graduate student's work is of passing quality but is incomplete. See the *Graduate Student Handbook* for complete instructions about arrangements to receive and to remove an Incomplete grade notation.

### In Progress

The notation IP (In Progress) is restricted to certain sequential courses that extend over two or three quarters of an academic year. The grade option you select in the first quarter of the multiple term sequence applies to all quarters of the sequence. You receive

the same notation for each course upon completion of the two- or three-quarter sequence, and the final grade is applied to all quarters.

### Repeating Courses

Graduate students may repeat a course in which they earn a grade of C, D, F, or U. Degree credit for a repeated course will be granted only once, and the most recently earned grade will be used to determine whether a degree requirement has been met.

## UCSC Graduate Grading Policies

	Satisfactory/Unsatisfactory Grading	If You Elect a Letter Grade

<b>Incompletes</b>	An I (Incomplete) may be assigned if your work is of passing quality, but is incomplete. You must petition to remove the I and submit the completed course work to the instructor by the end of the third quarter following that in which the grade notation I was received unless the instructor or department specifies an earlier date. If you fail to file the petition and complete the work, or if the instructor does not submit an S, the Incomplete will be changed to a U. <b>Repeats</b>	You may repeat courses graded Unsatisfactory.	You may repeat courses graded C, D, or F. Credits are counted once, and the most recently earned grade determines whether a degree requirement has been met.

### Either way

- Graduate students enrolled in physical education courses will be graded Pass/No Record.
- Graduate students enrolling in undergraduate courses will be graded as outlined above.

## GENERAL INFORMATION

This section includes an alphabetical listing of information important to all students. Detailed descriptions of academic policies and procedures are found in *The Navigator*, at [reg.ucsc.edu/navigator](http://reg.ucsc.edu/navigator), and in the *Graduate Student Handbook*, at [www.graddiv.ucsc.edu/handBook.html](http://www.graddiv.ucsc.edu/handBook.html).

### Academic Integrity

All members of the UCSC academic community have an explicit responsibility to present as their original work only that which is truly their own. Cheating, plagiarism, and other forms of academic dishonesty are contrary to the ideals and purposes of a university and will not be tolerated. Note that plagiarism includes the deliberate misrepresentation of someone else's words and ideas as your own, as well as paraphrasing without footnoting the source. Students and faculty are jointly responsible for assuring that the integrity of scholarship is valued and preserved.

To view the full text of the policy on academic dishonesty, see [oasas2.ucsc.edu/avcue/integrity](http://oasas2.ucsc.edu/avcue/integrity).

### Due Process

Students charged with academic dishonesty have the right to due process through established policies and regulations concerning student conduct and discipline. Copies of these policies and regulations can be found in the *UCSC Student Policies and Regulations Handbook* ([www2.ucsc.edu/judicial/](http://www2.ucsc.edu/judicial/)).

### Academic Standing and Minimum Progress

Full-time undergraduate students at UCSC are expected to enroll in and earn a grade of C or better (or P) in an average of 15 credits per quarter, completing the 180 credits needed for graduation in four years. Extensions of enrollment beyond the equivalent of 12 full-time quarters require the approval of your college.

Your college will regularly check to insure that you are making (at least) **minimum progress** toward completing your degree and, at the end of each term, will determine whether you are in **good academic standing**. If you do not pass enough credits with a grade of C or better (or P), you may be placed on **academic probation**. If your academic standing or progress falls below minimally acceptable levels, you may be **disqualified** from further enrollment in the university.

### Address Changes

It is important for UCSC offices to have access to accurate address information for all UCSC students. UCSC relies on the addresses on the UCSC Student Portal to send you official information. You must update your address each time you change your residence, or you will miss important documents and deadlines. Read through the definitions below to understand the different types of addresses maintained by UCSC before making changes.

**Mailing (year round):** This should always be your current address. It is your responsibility to keep this address up to date and prevent important campus mail from being misdirected.

- Billing statements are mailed to the local address unless you establish a third-party billing address. Mailings to this address may include credit balance refunds and general mailings from campus units. The Financial Aid Office uses this address for all mailings during the academic year.

- During fall, winter, and spring quarters, you may use a college address as your local address. **Summer:** After spring quarter ends and before fall quarter begins, a college address is not a valid local address. For this reason, it is important to keep your mailing address updated during the summer, so you do not miss important communications and deadlines.

**Permanent (year round):** This address may be the same as your local address or the address of a relative, but it may not be your college address. Your diploma will be sent to this address. The Financial Aid Office uses this address during the summer if mail is returned, and they have been unable to contact you using other addresses.

**Billing (year round):** If you would like your Statement of Account mailed to a third party, such as your parents, grandparents, or guardian, you must establish a billing address. Billing addresses are used only for statements going to someone other than you.

**Foreign:** Required for students on F and J (non-immigrant) visas.

**Residence:** Required for students on F and J (non-immigrant) visas.

**Request for Nonrelease of Public Information:** University policy, consistent with the Family Educational Rights and Privacy Act of 1974 as amended, permits disclosure of certain categories of public information.

At UCSC the following information is considered to be a matter of public information and will be disclosed unless the student has requested that it be withheld:

- student's name;
- mailing address;
- e-mail address;
- local telephone number;
- college and major field of study;
- dates of attendance;
- class level;
- degrees and honors received;
- number of credits currently enrolled;
- name, weight, and height of participants on intercollegiate athletic teams.

To have this information withheld from release, go to the UCSC Directory Restrictions link on the Student Portal. Be sure that you understand the implications of requesting a Nonrelease of Information. Every single item listed above will be withheld. The Office of the Registrar cannot verify your student sta-

tus for a potential employer, publicize any honors you receive, or include your name and degree earned in the commencement program unless you remove the Nonrelease of Information. Once a Request for Nonrelease of Public Information is filed, it remains in effect until you rescind it via the Student Portal.

If you have any questions about the implications of the Nonrelease of Public Information, contact the Office of the Registrar, 190 Hahn Student Services, 459-4412.

### Administrative Cancellation

Your student status may be cancelled by the campus administration at any time for the reasons listed below. If you

- are barred from enrollment for one or more quarters for academic deficiencies;
- are disqualified for academic deficiencies;
- receive disciplinary action;
- fail to respond to official university notices;
- fail to settle financial obligations; or
- fail to enroll in classes.

Cancellation for any of the first three reasons will be noted on your official academic record.

Administrative cancellation means that your enrollments are dropped, financial aid is cancelled, and you are ineligible to use campus services reserved for students. The registration fee refund, if applicable, is determined by the effective date of the administrative cancellation.

### Advance Course Information

Advance Course Information (ACI) is designed to complement advance enrollment. It supplies more course information online than is available through the *UCSC General Catalog*.

Also available via ACI are book lists for the current quarter. These are arranged by department and are provided by the Bay Tree Bookstore. To get to the ACI web page directly, go to [reg.ucsc.edu/soc/aci](http://reg.ucsc.edu/soc/aci).

Faculty participation in ACI is voluntary; therefore, information is not available for all classes. If you have any questions, comments, or ideas, you can e-mail ACI at [aci@ucsc.edu](mailto:aci@ucsc.edu).

### Advising

Advisers are available in the colleges to assist undergraduates with general planning issues, such as choosing appropriate course loads, maintaining good academic progress, and integrating majors and minors in an overall academic plan. Advising for specific major and minor programs is offered at the departments. Students may also consult with faculty, career counselors, educational opportunity advisers, psychological counselors, and disability resource specialists, among others.

## GENERAL INFORMATION

### Announcement of Candidacy

To be a candidate for the bachelor's degree, you must file an Announcement of Candidacy at the Office of the Registrar by the posted quarterly deadline.

If you announce your candidacy for a degree but do not complete the requirements for graduation, you will not automatically be considered a continuing student for the subsequent quarter. Go to the Office of the Registrar to cancel or reschedule your announcement of candidacy and to receive enrollment and fee payment instructions.

### Auditing of Classes

You may audit (sit in on) a regular course with the permission of the instructor in charge. The instructor may allow you to attend course meetings but only if adequate facilities are available after all students who wish to enroll officially have done so. The instructor is not obligated to devote time to your work. Auditors ordinarily do not write papers or take exams. Since you are not enrolled in the class, there is no record kept; and you receive no grade notation, evaluation, or credit. You are not eligible to audit classes if you've been barred or disqualified for academic or disciplinary reasons, have withdrawn, or are on leave of absence.

### Cancelled Courses

Occasionally, it is necessary for a sponsoring agency to cancel a course after students have advance enrolled. Whenever possible, the course-sponsoring agency will notify enrolled students about the cancellation. Check the *Schedule of Classes* ([reg.ucsc.edu/soc](http://reg.ucsc.edu/soc)) on the web for updates. View your enrollments online for cancellations or changes in meeting times, days, or location.

### Certification of Student Status for Outside Agencies

The Office of the Registrar is the only agency on campus authorized to certify student status and academic standing for outside agencies such as student loan institutions, insurance companies, child care programs, banks, and employers. You may request enrollment certification in person or by mail.

If you need a certification of student status to defer a federally insured student loan, your request will be forwarded to the National Student Loan Clearinghouse for processing. Most lenders contact this agency directly for confirmation of student status.

If you are registered and enrolled, a certification for the current academic year will be produced as you wait at 190 Hahn from 9 A.M. to noon. Valid photo identification is required. Certifications requested after noon will be ready for pickup after 1 P.M. the following day.

### Computing Facilities and Services

UC Santa Cruz is rapidly expanding its computing environment. We want you to be aware of computing facilities and services so that you can take full advantage of the campus computing resources. Here are the key points:

- Students are expected to communicate via e-mail using a UC Santa Cruz Identity, which is your e-mail address and account as well as electronic login and password to many services, such as the network, computing labs, portal, and other services. Your UC Santa Cruz Identity is assigned when you enroll for classes, before you come to campus in the fall quarter. There is no cost for your UC Santa Cruz Identity.
- UC Santa Cruz has a wireless network called CruzNet, with coverage in most student areas of campus. This means that if you have a laptop computer with a wireless network card, you'll be able to sit down with a group of classmates in a serene setting among the redwoods, at a cafe or library to do your homework, and still have network access. Because of the wireless access, we highly recommend that you purchase a laptop or notebook computer. We have included minimum specifications below.
- The campus offers a high-speed residential data network called ResNet to all students living in university residential areas. The service cost is included in the housing fees. There are no additional fees for students who live in university residential areas to use the service, which includes technical support (by phone, or room visits when necessary) provided by ResNet staff.
- If you don't own a computer, or would like to work on homework assignments that require specialized software, there are 15 Instructional Computing labs across the campus. Each lab is open to all students.

#### Information Technology Services (ITS)

ITS provides computing, network, telecommunication, and instructional technology services to the campus. Central computing facilities provide universal services such as electronic mail, web, and file services. See [its.ucsc.edu](http://its.ucsc.edu). ITS operates the UC Santa Cruz campus network, which interconnects personal computers, workstations, workgroup LANs, instructional computing labs, central computing facilities, and computer-equipped classrooms with each other, on-campus resources, and the Internet. In addition, a wireless access service called CruzNet is available to mobile users at some 200 locations. See [cruznet.ucsc.edu](http://cruznet.ucsc.edu) for more information. On-campus network resources include academic, library, and administrative computing, database and information servers.

#### Purchasing a Computer?

If you are planning on buying a new computer, UC Santa Cruz recommends purchasing a laptop with both wired and wireless network capability. Last year, 98% of students who came to campus had a personally-owned computer in their residential housing room.

An excellent source for purchasing computers and computer products is the university's Bay Tree Bookstore, right on campus, [slugstore.ucsc.edu](http://slugstore.ucsc.edu), phone 459-2082. Through university-negotiated contracts, the bookstore offers a full line of Apple and Dell computers, as well as software and peripheral equipment. Because of your student status, pricing is almost always below outside market prices. And the bookstore works closely with campus computing specialists to be certain the equipment you buy will meet campus specifications, both wired and wireless. As an added convenience, Apple products can be ordered in advance through the bookstore, and be ready for pickup when you arrive on campus.

Technology vendors frequently use the "Back-To-School" time frame for additional special pricing, so you might want to check with the Bay Tree Bookstore in July and August as you begin thinking about shopping for a computer. The Bay Tree Bookstore staff can help you make the right choices for your campus computing needs.

#### PC or Mac?

The campus community embraces both PCs and Macs, and in some circles, Unix-based Sun Solaris and Linux are popular. The Humanities Division and the Arts Division both are heavily Mac-oriented. The Social Sciences Division and the Physical and Biological Sciences Division use both Macs and PCs. The School of Engineering is primarily PC/Windows and PC/Linux (as well as Sun Solaris), and there is an emerging interest in Macintosh with the Unix-based OSX environment.

If you are purchasing a PC, we recommend you purchase a laptop including a Pentium processor with a minimum 1GHz or equivalent microprocessor, 512MB or more of RAM, and a minimum 20GB hard drive. Please include a CD writer to use for backing up files. In general if you are purchasing a PC computer (and are not interested in repairing a computer yourself) we recommend that you purchase a computer manufactured by a major vendor such as Dell, which is highly rated for reliability and service. For software on a PC, we recommend Microsoft Windows XP, with Microsoft Office, which includes Microsoft Word. Most faculty are accustomed to receiving student papers in Microsoft Word files.

If you are purchasing a Macintosh, a minimum of 1GHz processor is recommended. We recommend 512MB or more of RAM, and a minimum 30GB hard drive, running Mac OSX. All new Mac PowerBooks are recommended.

## GENERAL INFORMATION

CruzNet is designed for use with wireless network cards that are Wi-Fi compliant, IEEE 802.11b. WPA (Wi-Fi protected access) security is desirable but not required at present. The UCSC Bookstore maintains a stock of recommended wireless network cards.

*Note: cordless 2.4Ghz phones can interfere with the wireless network, so if you intend to bring a cordless phone to campus please obtain one that operates at 900 MHz instead.*

For more recommendations on computer hardware and software please visit the ResNet web site at [resnet.ucsc.edu](http://resnet.ucsc.edu). If you are not purchasing a new computer but bringing your own computer, please have at least 256MB memory, and Microsoft XP operating system. ResNet's minimum computer standards are posted at [resnet.ucsc.edu/newstudents](http://resnet.ucsc.edu/newstudents).

### Your UC Santa Cruz Identity Account is Pre-assigned

Your UC Santa Cruz Identity Account is your UCSC identity for e-mail. Faculty and other campus representatives will send e-mail about classes, important reminders, and information about student services to this account. For example, your UCSC address ([youraccount@ucsc.edu](mailto:youraccount@ucsc.edu)) shows up on e-mail lists that faculty use for classes. In addition to e-mail, this same UCSC account gives you access to the campus Instructional Computing Labs, dial-up network access from off-campus, and the central Unix timeshare systems. Every UC Santa Cruz student is assigned a UCSC Identity account upon enrollment. You can activate your pre-assigned UC Santa Cruz Identity through the Student Portal.

Students are expected to monitor their UC Santa Cruz Identity for important e-mail messages from faculty, staff, and other students.

The university provides CruzMail, a web-based e-mail client, as well as anti-virus software to keep your machine virus-free. The university also has 15 computer labs located at most of the colleges and a number of academic buildings.

### Computing Facilities and Policies

Students using UCSC computing resources are subject to policies that state expected behaviors for electronic communication and electronic conduct, in general. The University of California has adopted an electronic communications policy that clarifies the applicability of law and other university policies to electronic communications. The UC Electronic Mail Policy can be reviewed online at [www.ucop.edu/ucophome/policies/ec](http://www.ucop.edu/ucophome/policies/ec).

UCSC has adopted the Computing Use Policies and the ResNet Responsible Use Policy (RUP), which indicate responsible use of computing resources, in general, and in the residence halls, respectively.

The Computing Use Policy is Appendix J of the *UCSC Student Policies and Regulations Handbook*: [www2.ucsc.edu/judicial/handbook.html](http://www2.ucsc.edu/judicial/handbook.html), and the ResNet RUP is online at [resnet.ucsc.edu/policy/rup/](http://resnet.ucsc.edu/policy/rup/).

Campus academic divisions may also provide computing facilities and services to serve their specific disciplines. There may be additional rules or policies associated with these discipline-specific services and facilities. Please contact your department assistants for more information on divisional resources.

Because the Internet is a dynamic environment, you should be aware of the following:

- Students using UC Santa Cruz computing facilities and services must comply with the University of California state and federal policies and laws referenced at [www2.ucsc.edu/cats/sc/help/policies](http://www2.ucsc.edu/cats/sc/help/policies). While that web page lists many of the university policies, it is in no way meant as an exhaustive and complete list. New regulations and policies and procedures are constantly evolving. Laws, policies, or other regulations on aspects not specific to networks or computing may also apply, e.g., student conduct, personnel policy or contract, sexual harassment laws, chain letter laws, or other regulations.
- Web pages at UC Santa Cruz (and beyond) are expanding and changing rapidly. Please send questions regarding any information found on the web to the web page author listed at the bottom of each web page.
- Please send questions or concerns about electronic abuses or harassment via e-mail to [abuse@ucsc.edu](mailto:abuse@ucsc.edu).

### Network and Phones for Students Living on Campus

Student Communication Services (SCS) is a partnership between Colleges and University Housing Services and Information Technology Services that provides in-room Internet access (called ResNet) and a university-owned and operated telephone system. Network services are available to undergraduate and graduate students living in university housing (except for the Camper Park). For assistance with network connections, students can contact ResNet at [resnet@ucsc.edu](mailto:resnet@ucsc.edu) or call 459-4NET. Please check the web site at [resnet.ucsc.edu](http://resnet.ucsc.edu) for more information.

Local telephone service is provided in every student room (except for the Camper Park and Family Student Housing). Students must use calling cards to place long distance calls. Call 459-3865 or e-mail [scs@ucsc.edu](mailto:scs@ucsc.edu) for more information on phone services.

### Modem Access for Students off Campus

If you want to connect from off-campus, you can connect via a university modem pool at no charge, but with limited connection hours per week. See [www2.ucsc.edu/cats/sc/services/remote.access.shtml](http://www2.ucsc.edu/cats/sc/services/remote.access.shtml) for more information on this topic and information on configuring your computer software for these options.

### Computing Labs for Drop-in Use and Academic Classes

Instructional Computing manages 15 computer labs throughout the campus. These include the Digital Media Lab for students in the arts, social sciences buildings, and the Solaris Unix labs for students in the sciences and engineering. The 15 labs have more than 360 computers available for students to use, including PCs, Macs, and Sun workstations. There is a wireless laptop lab at the Academic Resources Center where you can check out an Apple laptop and have a network connection while sitting in the meadow overlooking the ocean; see [ic.ucsc.edu/labs/labdescriptions/arc/](http://ic.ucsc.edu/labs/labdescriptions/arc/) for more information. Wireless access is available in most labs.

The computing labs are used like classrooms; they can be reserved by faculty or teaching assistants for instruction. When not reserved for instruction, the labs are available to students on a walk-in basis. Even if they are not teaching in the labs, many faculty request academic software to be installed in the labs so that their students can complete homework assignments. Every IC lab is open to every student, no matter what his or her major.

Faculty or teaching assistants can request Instructional Computing staff to conduct training sessions as part of an academic course. Contact Robin Ove, Faculty Instructional Technology Center manager, [fitc@ucsc.edu](mailto:fitc@ucsc.edu), for more information.

More extensive lab information, including hardware and software specifications and hours of operation, is available at [ic.ucsc.edu](http://ic.ucsc.edu).

### Academic Course Materials on the Web

The WebCT course management system is a tool to create sophisticated web-based course materials to supplement classroom instruction, but not to replace it. WebCT uses a web browser as the interface for the course. Faculty using WebCT can incorporate a wide variety of tools in their course site such as a course calendar, student conferencing system, electronic mail, group projects with student-created web pages, and quizzes. Outside of class time, students can use WebCT to view course materials, participate in web-based class discussions, collaborate on student group projects, and take quizzes. Faculty can use WebCT to see what materials students have viewed before they arrive in class. When faculty administer pre-class quizzes on WebCT, they can see what concepts students understand before class and then tailor the lecture accordingly. Students must have established their UCSC account to be enrolled in WebCT courses. See more information about WebCT and other UCSC course web sites at [ic.ucsc.edu/docs/webct](http://ic.ucsc.edu/docs/webct) and [ic.ucsc.edu/courses](http://ic.ucsc.edu/courses).

### Need Disability Accommodations for Computing?

If you have a disability and require adaptive or assistive technology to use lab computers, library facilities, or other campus services, please contact the Disability Resource Center (DRC) right away so that they can coordinate services for you. Instructional Comput-

### Need a Job?

Instructional Computing has about 100 student staff positions, including lab consultants, who staff labs and assist students; technical support specialists, who maintain lab hardware and software; and web developers, who work on project teams to produce academic course sites. Please see [icweb.ucsc.edu/apply/](http://icweb.ucsc.edu/apply/) for more information about the lab consultant and technical support specialist positions. See [ic.ucsc.edu/faculty/webdev/](http://ic.ucsc.edu/faculty/webdev/) for information about the web developer program, and e-mail [fitc@ucsc.edu](mailto:fitc@ucsc.edu) if you want to apply.

The Information Resource Center hires student consultants through the UCSC Career Center. For more information, see [www2.ucsc.edu/careers/](http://www2.ucsc.edu/careers/).

## Cross-Enrollment

The cross-enrollment program permits UCSC students who meet certain eligibility criteria to enroll in one undergraduate course, on a space-available basis each quarter or semester, at a California community college or California state university. The host campus may charge an administrative fee each quarter,

and students must reapply each quarter they wish to cross-enroll at another campus. The fee is \$18 per unit.

*Note:* not all community colleges participate in the cross-enrollment program; contact the institution where you wish to enroll for information.

## Lost and Found

The first place to go for lost and found items is the nearest college or department office. Items that are not claimed from these offices are taken to the University Police Office, located in the H Barn near the main entrance to the campus, 459-2231.

## Name Change

Name Change petitions are available at the Office of the Registrar. A student who is currently enrolled or announcing candidacy and is requesting an official name change on their academic records must complete this form and present it, in person, at the Office of the Registrar. You must submit documentation showing legal change of name (court order) or use of requested name on official documentation (e.g., drivers license, social security card, passport, marriage certificate, etc.). You may also correct your name at the Office of the Registrar if, for example, it is misspelled or the punctuation is incorrect. Be prepared to show proof of the correctly spelled name.

When you file a Name Change petition, you may also order and pay for a new student ID card at the Bay Tree Bookstore Building.

## Nonrelease of Public Information

The following information is considered public information and may be disclosed: name, college or local address, e-mail address, local telephone number, college and major field of study, dates of attendance, class level, enrollment status, intercollegiate athlete's height and weight, and degrees and honors received.

To have this information withheld from release, file a Request for Nonrelease of Public Information at the Office of the Registrar by the date specified in the calendar at the front of this schedule. Be sure that you understand the implications of filing this request. Every single item listed above will be withheld.

Once a Request for Nonrelease of Public Information is filed, it remains in effect—even after you are no longer attending UCSC—until you request to rescind it in writing.

## Student Identification Card

A plastic card bearing your picture is issued the first quarter of enrollment, generally during college orientation.

Each quarter the college (department for graduate students) issues a validation sticker to be affixed to your ID card. The sticker is issued once

you have completed registration and is available beginning the first day of the quarter. The card with the current quarter sticker is proof that you are registered. The college or department will not issue a sticker if your quarterly fees are unpaid. Go to the Office of the Registrar to complete your registration, and a sticker will be provided.

## Student Portal Password

Your password is required each time you use the Student Portal. Your password is assigned to you when you receive your student identification number.

We strongly suggest that you change your password and set up a password hint the first time you access the Student Portal. You may select a minimum of 8 characters (one character must be a digit) as your new password. You may also change your password any time thereafter.

It is extremely important that your password remain confidential. Do not give it to anyone. If you forget your password or believe the privacy of your password has been compromised, e-mail [ais-help@ucsc.edu](mailto:ais-help@ucsc.edu) to reset your password.

## Transcript Information

A transcript is an official copy of a student's academic history at UCSC and is embossed with the registrar's seal and the signature of the university registrar. Official transcripts are mailed in sealed university envelopes. A transcript includes undergraduate, graduate and/or summer session courses, degrees awarded, degree honors, grades and notations, and transfer credit.

Transcripts are available for \$5 without evaluations and \$10 with evaluations. A transcript with evaluations includes evaluations of courses passed in chronological order and an evaluation of the comprehensive examination or senior thesis.

Transcripts are processed on a first-in, first-out basis. Transcripts must be requested well in advance to meet deadlines. Allow 10 business days for processing from the date we receive your request. During busy periods (November through February), processing time may take longer.

You may request and pay an additional fee for your transcript to be mailed via next-day service. This service provides fast delivery and a receipt that the transcript was received by the recipient. This service expedites transit time, not processing time. Federal Express is used for all destinations, and they will not deliver to post office box addresses or on weekends. The additional charge for Federal Express within the U.S. is \$20 for up to three transcripts going to the same address. The additional charge for Federal Express outside the U.S. is \$30 per transcript (with or without evaluations). Please note that if the appropriate fee has not been received for next-day service, your transcript will be sent via regular mail.

Instructions and Transcript Request Forms are avail-

## SELECTED UNIVERSITY POLICIES & FEDERAL LAWS

able at the Office of the Registrar or via the web at [reg.ucsc.edu](http://reg.ucsc.edu). For recorded instructions, please call (831) 459-4412.

Transcript requests will not be processed if you have outstanding obligations to the university. Contact the Office of Student Business Services, (831) 459-2136 or (831) 459-2940, for questions regarding a university hold on your records. In this instance, the request form will be returned to the student.

For a \$5 fee, you may request a Certificate of Completion of Degree, which includes your name, the date your degree will be awarded/was awarded, major, college, and honors, if any. A certificate can be prepared if you have announced candidacy for the quarter, and all requirements have been completed as verified by the Office of the Registrar and your department. Its use is limited to providing verification of a pending/awarded degree. Universities usually require a complete official transcript.

### Veterans and Veterans' Dependents

Veteran Services staff, located at 190 Hahn Student Services Building, serves as a liaison between students and the Department of Veterans Affairs (DVA), certifying enrollment and academic progress for veterans, veterans' dependents, and reservists. The staff also assists with the Cal Vet program, which offers fee waivers to dependents of veterans who died or are disabled due to a service disability.

As a veteran or veteran's dependent, you should contact Veteran Services as soon as you receive notification of admission here to ensure timely processing of your benefits claims.

Veterans and veterans' dependents who are eligible for educational benefits from the DVA are expected to make satisfactory progress towards completion of the degree objective. If you remain on academic probation beyond two quarters without improvement, your benefits will be subject to suspension. Your academic standing may be affected if you attempt less than 15 credits each quarter. Dropping a course or requesting a W grade may affect the amount of your payments and must be reported immediately to Veteran Services. Please note that you cannot be paid for auditing a course. For more information about the DVA's requirements, click on the Veteran Services link at [reg.ucsc.edu](http://reg.ucsc.edu).

Please call 459-2754 should you have questions.

### Taxpayer Relief Act of 1997

The Taxpayer Relief Act of 1997 includes a number of educational tax benefits that may have an impact on students and their families. The act includes the following sections that involve the university reporting information on students to the Internal Revenue Service.

- Hope Scholarship Tax Credit (effective 1/98): a nonrefundable credit equal to a maximum of \$1500 in out-of-pocket qualified

tuition and fee expenses paid by or on behalf of a student for two tax years during which the student is enrolled at least half time in the first or second year of post-secondary education leading to a recognized degree or certificate.

- Lifetime Learning Credit (effective 7/98): a nonrefundable credit equal to 20 percent of the \$5,000 of qualified out-of-pocket tuition and fee expenses paid by or on behalf of a student enrolled in post-secondary course work at the undergraduate or graduate level leading to a recognized degree or certificate or to improved job skills.
- Student Loan Interest Deduction (effective 1/98): a deduction from income of up to \$1000 in qualified education loan interest due and paid during the first 60 months of repayment.

To find out if you qualify for benefits under these or other provisions of the Taxpayer Relief Act, please contact a tax consultant; or call the Internal Revenue Service. Beginning January 1999, information reported to the IRS will be available at [www.1098-T.com](http://www.1098-T.com) or 1-877-467-3821, toll free. The University of California is not authorized to respond to tax questions.

### Crime Awareness and Campus Security Act

In compliance with the federal Crime Awareness and Campus Security Act, UCSC publishes information on campus security and crime statistics. A publication containing this information is published annually and made available to all students and UCSC employees. The publication is posted on the web: [www2.ucsc.edu/police](http://www2.ucsc.edu/police).

### Federal Student Right-to-Know Act

The following graduation-rate information is listed in compliance with the 1990 Title I: Federal Right-to-Know Act, Section 103. Based on recent data, 48.6 percent of students who entered UCSC as freshmen in 1998 graduated after four years, and 65.4 percent of those who entered in 1997 graduated after five years. In recent years, students who entered as freshmen took an average of four and one-half years to graduate, and students transferring to UCSC as juniors averaged two and one-half years. These graduation rates are well above the national averages.

In accordance with the Education Amendments of 1976, Section 493A, more detailed information regarding retention is available from the Office of Planning and Budget, University of California, Santa Cruz, 1156 High Street, Santa Cruz, CA 95064. More information is also available on the web at [planning.ucsc.edu/irps](http://planning.ucsc.edu/irps).

### Drug-Free Schools and Communities Act

In compliance with the federal Drug-Free Schools and Communities Act, UCSC annually notifies students, faculty, and staff of policies, procedures, and potential consequences related to unlawful possession, use, or distribution of drugs and alcohol on campus. This notice is distributed to students through the colleges and the Graduate Studies Division and to faculty and staff through campus mail. The university also conducts a biannual review of programs related to drugs and alcohol to determine effectiveness, implement changes, and ensure that disciplinary sanctions are consistently enforced. This review is conducted by the Office of the Vice Chancellor for Student Affairs, (831) 459-4446.

### Smoke-Free Policy

To protect the rights of the nonsmoking campus community to breathe smoke-free air, UCSC has adopted a Policy for a Smoke-Free Environment. This policy prohibits smoking in all indoor areas of all nonresidential public buildings on campus and in common areas such as lobbies, lounges, waiting areas, and rest rooms of residential buildings. Smoking is also prohibited in the outside areas beside all building doorways, windows, and ventilation air intakes; this includes patios underneath building windows or other areas where smoke could enter openings to buildings. For more detailed information about the smoking policy, see the web: [www.ehs.ucsc.edu](http://www.ehs.ucsc.edu). Tobacco products will not be sold on campus either through vending machines or campus establishments. UCSC supports and assists efforts to stop smoking by providing literature and referrals to community cessation programs. Students may obtain information about the programs from the Cowell Student Health Center, (831) 459-2211.

### Nondiscrimination Statement

The University of California, in accordance with applicable federal and state law and university policy, does not discriminate on the basis of race, color, national origin, religion, sex, disability, age, medical condition (cancer-related), ancestry, marital status, citizenship, sexual orientation, or status as a Vietnam-era veteran or special disabled veteran. The university also prohibits sexual harassment. This nondiscrimination policy covers admissions, access, and treatment in university programs and activities.

Inquiries regarding the university's student-related nondiscrimination policies may be directed to the Office of Student Judicial Affairs, (831) 459-4446.

Inquiries regarding UCSC's Sex Offense Policy and Procedures for Reports of Sexual Assault(s) and Sexual Harassment and/or violations of Title IX may be directed to Rita E. Walker, Title IX coordinator/sexual harassment officer, (831) 459-2462, or by e-mail at [rew@ucsc.edu](mailto:rew@ucsc.edu).

Inquiries regarding the university's affirmative action, equal employment opportunity, and nondiscrimination policies for employment may be directed to the Equal Employment Opportunity/Affirmative Action Office, (831) 459-2686, or by e-mail at [cbene@ucsc.edu](mailto:cbene@ucsc.edu).

Inquiries regarding Section 504 or the Americans with Disabilities Act may be addressed to the director, Disability Resource Center, (831) 459-2089 (voice); (831) 459-4806 (TTY); or by e-mail at [disable@ucsc.edu](mailto:disable@ucsc.edu).

Alternate formats of this document—such as large-print, audiotope, braille, or electronic diskette—can be provided. Please call (831) 459-4446 for referral.

## Sexual Harassment and the Title IX Office

UC Santa Cruz takes the issues of sexual assault and sexual harassment very seriously and is committed to ensuring that our campus community is free of violence, discrimination, and harassment. The Title IX coordinator/sexual harassment officer (Title IX/SHO) for the University of California, Santa Cruz campus, is responsible for providing an environment free from discrimination or harassment on the basis of sex for all students, staff, and faculty. The goal of the Title IX Office is to ensure that students, staff, faculty, and

persons participating in university sponsored programs and events can learn, work, and/or enjoy the benefits and opportunities offered by the campus, free from any uninvited, unwelcome, unsolicited, and unwanted conduct directed at them because of their sex. The Title IX/SHO is authorized by the chancellor to conduct the administrative investigation of all reports of sexual assault filed by students, staff, and faculty. Additionally, the Title IX/SHO receives and resolves reports and complaints of sexual harassment. Any person who is the target of a sex offense should consult with the Title IX/sexual harassment officer ([831] 459-2462 or [rew@ucsc.edu](mailto:rew@ucsc.edu)) to receive information and advice about your options and/or to file a complaint. Additional information is available on the web at [www2.ucsc.edu/title9-sh](http://www2.ucsc.edu/title9-sh).

## Overview of General Education Requirements

Designed to expose students to diverse subject areas, the general education requirements also stress a variety of approaches to acquiring knowledge.

Most current students follow the general education requirements at UCSC that fall into nine areas and are described below. Each area has a general education code associated with it, and only those courses carrying that code satisfy the requirement. The codes appear in the course descriptions in the *UCSC General Catalog* and in the “GEN ED” column of the course listings in each *Schedule of Classes*. Some courses satisfy more than one requirement, so the total number of required courses may be as few as nine or as many as 14. Courses with values of 1, 2, or 3 credits, such as some music courses, may be combined to satisfy general education requirements if they have the appropriate codes and total at least 5 credits.

It is often advised that students who have not decided on a major should complete all six disciplinary introductions (IH, IN, IS codes), at least one of the topical courses (T code), the quantitative methods course (Q code), and the composition course (C code) during the first three quarters of enrollment. However, students pursuing certain science majors must also fit in appropriate prerequisite sequences for upper-division science requirements. The writing-intensive course (W code), arts course (A code), and U.S. ethnic minorities/non-western society course (E code) can be satisfied with many upper- as well as lower-division courses.

If you have consulted with your academic adviser and feel you have an unusually strong case for an exception to a general education requirement, you may file a Petition for Substitution or Waiver at your college. Do not wait until the quarter you expect to graduate; these petitions are reviewed by many people before they can be approved. These petitions are carefully screened by the Committee on Educational Policy (CEP); specific and rigorous criteria are used. If the petition is approved, your academic record will be changed to reflect the exception. If you have taken a course through an exchange program (ICV, UNH, UNM, EAP, or UCDC), and you think it will satisfy a general education requirement, you may initiate review of the course by completing a Review of Transfer Credit form at the Admissions Office, with the exception of writing or topical requirements; these must be reviewed by CEP.

**Enrolling in general education courses:** the section of the class you enroll in will satisfy a general education requirement only if the appropriate general education code(s) appears in the GEN ED column of the *Schedule of Classes*. Different sections of the same course may have different codes. Transfer and advanced placement credits may satisfy some or all of the general education requirements. The Admissions Office will provide you with a Transfer Credit Summary (TCS) Evaluation which lists the general education requirements that you have satisfied.

## Quick Reference to General Education Requirements

General education requirements were devised and are reviewed by the Santa Cruz Division of the Academic Senate through the Committee on Educational Policy. There are nine categories of general education requirements. Specific information regarding how general education requirements fit into bachelor's degree requirements can be found in the *UCSC General Catalog*.

IH  
IN  
IS

**Introductions to Disciplines:** These courses inform students of a discipline's scope or methodology, prepare students effectively for advanced classes, or both. Students are advised about a discipline's suitability as a major or are prepared for advanced course work in the field. Most of these courses are required of majors. Most do not require prerequisites. The three categories are Introduction to Humanities and Arts (IH code), Introduction to Natural Sciences (IN code), and Introduction to Social Sciences (IS code).

T

**Topical requirements (T code):** The topical requirement is intended to show students how disciplines outside their own affect public life, how different disciplines approach a common topic, and the richness in the areas of study that lie outside or between academic disciplines. Topical courses address a topic of broad intellectual or social relevance—instead of a discipline—and study it from a broad or interdisciplinary perspective. They can provide a place for discussion of values and assumptions at an introductory level not usually found in introductory courses. They are not designed to introduce the discipline to non-majors.

C

**Composition requirement (C code):** This requirement is fulfilled by Writing 1, *Composition and Rhetoric*, which stresses essay development. Some sections of the Stevenson Core Course also fulfill the C requirement. Students must complete the University of California Entry Level Writing Requirement before enrolling in a course that satisfies the composition requirement.

W

**Writing-intensive requirement (W code):** These courses often require more writing than other classes, but they also stress explicit attention to the craft of writing in the subject matter of the course or discipline. Papers are assigned throughout the quarter and editorial comment is provided by the instructor. Students must complete the University of California Entry Level Writing Requirement and satisfy the Composition requirement before enrolling in a course which satisfies the writing-intensive requirement.

Q

**Quantitative requirement (Q code):** This requirement involves acquisition of technical skill in mathematics or practice in the ability to apply that mathematical skill in specific contexts, or both. A quantitative course must involve the use of advanced algebra, statistics, or calculus. These courses provide instruction in quantitative reasoning rather than merely evaluating students' mathematical ability. Courses in logic or computers are not considered mathematical.

A

**Arts requirement (A code):** This requirement was established in recognition of the differences between the humanities and the arts, and of the necessity of both in liberal arts education. One 5-credit course or the equivalent is required in the performance, theory, or history of the arts.

E

**U.S. Ethnic Minorities/Non-Western Society requirement (E code):** This requirement is intended to increase student and faculty knowledge of non-Western cultures (in the U.S. and elsewhere); to improve cross-cultural awareness, skills, and sensitivity; and to explore relationships between ethnicity and other topics of liberal arts curriculum.

## GENERAL EDUCATION REQUIREMENTS

### Courses That Fulfill General Education Requirements

Refer to the course listings beginning on page 43 to identify general education courses offered in winter quarter.

#### Introductions to Disciplines, Humanities and Arts (IH code)—two courses from different departments required (10 credits)

Only one IH requirement may be satisfied with a course (equivalent to 5 credits) from the Arts Division (art, film and digital media, history of art and visual culture, music, theater arts); only one language course may be used to satisfy an IH requirement; and only one literature course may be used to satisfy an IH requirement. *Note:* Transfer courses designated IH from English departments are considered to be literature courses for general education purposes.
