## Announcements

Spring Quarter 2017

### Plan Ahead By Validating Your Enrollments

All students will now have validation appointments to plan ahead for enrollment. These will coincide with Advising Week, beginning on 02/21/17 and ending when individual enrollment appointments begin. Validation will allow students to check if prerequisites are met, for time conflicts, and other registration issues before enrollment appointments.

### Teaching Block and Final Examination Schedule Revisions

Beginning fall quarter 2016, please note that changes have been made to the approved teaching time blocks and to the final examination schedule.

Monday, Wednesday, and Friday classes now meet for 1 hour and 5 minutes per class. Tuesday and Thursday classes and Monday and Wednesday evening classes now meet 1 hour and 35 minutes per class. Passing time between classes that meet Monday, Wednesday, and Friday is now 15 minutes. Tuesday and Thursday passing times continue to be 15 minutes. A schedule planner that lays out all the new teaching time blocks can be found online [here](#).

The schedule for final examinations has also been revised to add final examinations on Fridays during the fall and winter quarters in addition to the scheduled finals on Monday through Thursday. Spring final examinations will still be scheduled Monday through Thursday in spring 2017. The final examination schedule for spring 2017 can be found online [here](#).

### Paperless Bills Available on UCSC eBill/ePay

The Statement of Account is not mailed. It is available on UCSC eBill/ePay or [MyUCSC](#). Students can sign up for UCSC eBill/ePay and e-check payment by logging into [MyUCSC](#).

### Spring Registration Fees

E-bills for spring quarter charges will be viewable on UCSC eBill/ePay on Feb. 24. Undergraduate registration fees are due by 4 p.m. on March 27. A late registration fee of \$50 is assessed after the due date.

# Registration Payment Information

## Billing Statements

You can view your account activity on MyUCSC by selecting Account Inquiry. At the end of each month, an invoice (also referred to as statement of account) for unpaid charges is viewable on the portal and a copy is mailed. Spring charges will be on the invoice available on February 24, 2017.

The Statement of Account is no longer mailed. It will be available on UCSC eBill/ePay or the student portal. Students can sign up for UCSC eBill/ePay e-bill and e-check payment by visiting their portal, clicking on Accounts and Billing, then clicking on UCSC eBill/ePay.

Once a student has enrolled, they may invite a parent or other payer to UCSC eBill/ePay. The parent/payer will receive an e-mail with instructions on how to enroll themselves. Students do not need to give up access to their student portal! See [http://sbs.ucsc.edu/payments/ucsc\\_epay\\_ebill\\_student\\_information.html](http://sbs.ucsc.edu/payments/ucsc_epay_ebill_student_information.html) for more information.

## Payment of Fees

Deadline to pay registration fees is Monday, March 27, for undergraduates and Monday, April 10, for graduate students. A \$50 late registration fee is assessed if payment is not received by the cashier by 4:00 p.m. on the due date. Postmarks will not be used to validate on-time payment.

See the Financial Aid section below if:

- you applied for financial aid, but have not been notified of your eligibility; or
- you received your financial aid Offer Letter, but financial aid credits do not appear on your account summary on the MyUCSC portal.

See [Withdrawal, Leave of Absence, and Readmission](#) in The Navigator for information about refunds for registration fees.

## Health Insurance

The University of California requires that all students be covered by health insurance and UCSC offers plans specifically designed to meet the needs of students. The Undergraduate Student Health Insurance Plan (USHIP) and the Graduate Student Health Insurance Plan (GSHIP) are affordable plans featuring excellent year-round, worldwide coverage with low deductibles and prepaid access to Student Health Center care for illness or injury. The brochures describing the benefits and conditions are available at [Health Center web site](#).

Students are automatically enrolled in the plans and billed in three quarterly installments that will appear on the University billing statement. The USHIP plan includes medical coverage only, while the GSHIP plan includes medical, dental, and vision coverage. Rates for coverage for the 2016-17 academic year for the USHIP premium for undergraduate

students, and the GSHIP premium for graduate students are available at the [Health Center](#) for updates or e-mail [insure@ucsc.edu](mailto:insure@ucsc.edu) for more information.

To opt out of the UCSC-sponsored health insurance plan, you must complete the online waiver on the Student Portal, under Academic News. Approved waivers are valid for the quarter submitted and the remainder of the academic year. A new waiver must be submitted each academic year. Students who waive the university-sponsored student health insurance plan may purchase CruzCare, which provides prepaid access to basic Student Health Center Care for illness or injury. The premium for CruzCare for 2016-17 is \$100 per quarter. Check the Health Center for updates.

For information on how to submit an online waiver, [healthcenter.ucsc.edu/billing/insurance.shtml](http://healthcenter.ucsc.edu/billing/insurance.shtml), call (831) 459-2389, or e-mail [insure@ucsc.edu](mailto:insure@ucsc.edu).

### **Part-Time Study for Undergraduates**

If you are unable to maintain a full-time program of study because of employment responsibilities, family obligations, or a medical condition, or you are in your final quarter before graduation, you may be eligible for a 50 percent reduction in the educational fee and in the nonresident tuition fee (if applicable). To qualify for reduced fees, you must be approved for the Part-Time Program and be enrolled in 10 quarter credits or fewer. If you exceed 10 credits in a quarter, you must pay full fees. The last day to apply for the Part-Time Program for spring quarter 2017 is April 21.

For information regarding the Part-Time Program, see the [Part-Time Program page](#), or call the Office of the Registrar at (831) 459-4412 before the deadline listed above.

## **Financial Aid**

Read the sections below which apply to your circumstances:

### **You have not received your financial aid disbursement.**

The first thing to check is your enrollment. The Financial Aid and Scholarship Office will not disburse until you are enrolled in six or more units. Next, check the MyUCSC portal for financial aid awards. Once you are in the Student Center, look under the Finances section, click on Accept/Decline Awards, then click on Aid Year 2015. You should review each award and click on the awards with hyperlinks to learn about important actions you may need to take to receive those funds. You can accept/decline any or all awards available and "Submit" your changes. Financial aid will not disburse until you have successfully completed the accept/decline awards process.

If there are no financial awards posted, check your "To Do List" on your portal. From the tabs found in the upper right hand corner of the Student Center, you can see your Holds and any outstanding To Dos. Click on the item listed to determine what is being requested. You may download requested forms using the Financial Aid Forms link.

**Your financial aid has been disbursed and you have a balance owed on your account.**

If your charges exceed the amount of aid you were awarded, you must use your own resources to pay any balance owed by the deadline to avoid a late fee. Please reference the Payment of Fees section on this page for the deadline to pay registration fees.

**If your aid exceeds the charges on your account, this is the amount we owe you.**

If you have authorized electronic funds transfer (EFT), the funds will be disbursed directly to your personal bank account the first week of the quarter; otherwise, a check will be mailed to your mailing address during the first week of the quarter.

**If you still have questions, contact the Financial Aid and Scholarship Office at (831) 459-2963 between 10 a.m. and 4 p.m. The Financial Aid and Scholarship Office is located at 205 Hahn Student Services and is open weekdays from 10 a.m. to 4 p.m.**

## Enrollment Information

Spring 2017 Quarter

### Schedule Planner

Available [here](#).

---

### Student Responsibility

You are responsible for ensuring the accuracy of your enrollments. Your instructors, academic advisers, and the Office of the Registrar cannot enroll on your behalf. Be sure to verify your classes and grade options prior to the enrollment deadlines listed in the [Academic and Administrative Calendar](#).

### Get Prepared

Use the following helpful hints to assist you in completing your enrollment. It is recommended that you consult with your academic preceptor or major adviser prior to selecting your classes. Review the [Enrollment FAQs](#).

1. Check the listing of courses offered this quarter in this Schedule of Classes, and make some preliminary selections.
2. Use the [Schedule Planner](#) found in this Schedule of Classes. Complete the planner with your preliminary selections of classes, making sure the classes you have selected do not conflict with each other or with any other time commitments (i.e., work or extracurricular activities).
3. Enter the five-digit class numbers into the Schedule Planner. Make sure to have class numbers for mandatory sections and alternates in case the section is full.

Completing the above steps will help you to complete your enrollment.

### Holds on Enrollment

A hold may be placed on your enrollment for various reasons, including unpaid debts, junior standing without a declared major, and others. When you attempt to enroll in [MyUCSC](#), a hold creates an error message. Students may view their holds by logging on to the

MyUCSC portal and clicking on the Student Center. Information on how to remove each hold is included.

## Appointment Times

Students may view their priority enrollment appointment time by logging into the MyUCSC portal and clicking on the Student Center.

## Appointment Time Problems

If you are not eligible to enroll, consider the following circumstances:

- verify your appointment time;
  - if you were anticipating transfer credit to change your academic level, or if you check your credits and still believe the academic level is wrong, call the Registrar's office;
  - if you planned to study abroad with the Education Abroad Program (EAP) but your plans have changed, contact your EAP adviser;
  - if you applied to graduate and your plans have changed, reapply to graduate. For more information, see [Apply/Reapply to Graduate](#);
  - if you are barred or disqualified, contact your college; or
  - If you cannot determine the reason for your appointment time problem, contact the Registrar's office.
- 

## Minimum/Maximum Credits

### Standard course loads for UCSC students

Undergraduate students are expected to take a minimum of 15 credits and may enroll in up to 19 credits. Graduate students are expected to enroll in at least 10 credits and no more than 19 credits. Undergraduates who have a 3.0 cumulative grade point average may enroll in up to 22 credits beginning the first day of instruction. If you wish to take a nonstandard course load, meet with your college academic preceptor or graduate adviser who will update the system if the nonstandard courseload is approved so that you can complete enrollment.

### When minimum credits are enforced

Minimum credits are not enforced until a few days prior to the start of instruction. (For the date, see the [Academic and Administrative Calendar](#).) Once minimum credits are enforced, you will not be able to drop below the minimum unless you obtain approval from your academic preceptor or graduate adviser. To drop a course and add another, use the swap function. Financial aid recipients should be cautious; certain aid will not be disbursed if

enrollment is less than full-time.

## When maximum credits are enforced

Students may enroll in no more than 19 credits prior to the first day of instruction.

---

## Class Numbers

Every course has a five-digit class number which is used for enrollment. The class number appears in the MyUCSC Class Search. The course description on the Class Detail page of a Class Search indicates whether the course is an Interview Only course requiring instructor consent. To enroll in one of these classes, obtain a permission number from the instructor or department.

To enroll in independent study, you must first pick up a petition for independent study at the department, college, or division office and obtain the approval of the UCSC instructor who will supervise your study. Next, the sponsoring agency will assign a class number for you to use to enroll online.

---

## Requirements (Prerequisites and Restrictions)

- A class that has a prerequisite means that other courses must be completed or a placement exam must be satisfied before the course can be taken. Classes for which a C-, D+, D, D-, F, NP, W," or "I" is received do not satisfy prerequisite requirements.
- A class that has restrictions is available only to certain categories of students.

Refer to the [Programs and Courses](#) section of the UCSC General Catalog to determine the prerequisites or restrictions of a class.

## Prerequisites satisfied at other institutions

If you believe course work completed at another institution satisfies a prerequisite, contact the department sponsoring the class.

---

## Secondary Discussion Sections/Labs

### What is a secondary discussion section/lab?

A section is a smaller discussion group or lab class which is taken as part of a credit course, but no credit is awarded. Secondary sections/labs are listed with the main lecture in AIS. Not all secondary sections require enrollment.

## Swapping Sections

To swap sections it is not necessary to drop the class. Use the edit function. For more information, see [How to Change a Grade Option or Secondary Section](#).

## When the lecture or sections are closed (full)

If there is space in the lecture, but you cannot find an open section, you cannot enroll in the class. If you have a permission number for the lecture and all the sections are full, contact the department offering the course.

---

## Concurrent Enrollment

The Enrollment Information box in a MyUCSC Class Search will indicate previous or concurrent enrollment in another class is required. For example, if you enroll in BIOL-130L-01, you should concurrently enroll in the associated class, which is BIOL-130-01.

The term, “concurrent enrollment,” can be confusing. Please note:

- it is not the same as a discussion section (see [Secondary Discussion Sections/Labs](#) above);
  - it is not the same as concurrent enrollment through UC Extension, in which a person enrolls in a regular Open University course as an Extension student.
- 

## Wait-List Appointment

During your second pass, if a class is full, you may sign up for up to 10 wait-list credits. You should see a Wait-List Appointment period on MyUCSC with you other enrollment appointments.

For more information, including instructions and participating departments and classes, please visit the Office of the Registrar’s frequently asked questions on wait lists. Be sure to check the FAQ web site for updated wait-list information.

---

## Class Permission Numbers

A class permission number is an assigned number that can override restrictions and/or prerequisites if a class is full. It is specific to a class and can be used only once. After an unsuccessful attempt to add a class, the number may be used again. Permission numbers are required to enroll beginning the eighth day of instruction.

To obtain a class permission number, consult with the instructor or department.

### **What a class permission number can override**

A class permission number overrides course restrictions/prerequisites and/or overrides the closed (full) status of a class.

### **What a class permission number CANNOT override**

Class permission numbers cannot override time conflicts, your maximum allowed credits or holds.

---

## Time Conflicts

### **Why you might have a time conflict**

Courses which have the same start and end times are considered a time conflict. Check the Schedule of Classes for the most up-to-date class information.

### **How to resolve a time conflict**

If your classes overlap but you and your instructors believe that you can complete both classes in spite of the conflict, you should call the Office of the Registrar at 459-4412 for assistance. Some classes require written approval from the faculty.

---

## Retaining Enrollments

To retain a seat in your classes, you must attend the first class meeting. Instructors may administratively drop anyone who does not attend.

---

## Enrolling After Instruction Begins

Attend the first class meeting of any classes you want to add. Permission numbers are required for all classes after the seventh day of instruction but may be required earlier. If necessary, the instructor will issue a class permission number.

---

## Verify Your Enrollments

It is recommended that you verify your classes and grade options, via [MyUCSC](#), after you complete your enrollment transactions. It is also recommended that you verify your enrollments and print your Class Schedule before the end of the Add/Drop/Swap period. Print your Class Schedule from the Student Center by clicking on Enroll and then clicking on the My Class Schedule tab.

Appointments are randomly assigned.

Enrollment Appointment FAQs [available here](#).

---

## Two-Pass Enrollment Appointment Schedule

Get advising during Advising Week: **February 21-24**.

View your appointment time(s) on [MyUCSC](#). Click on the Student Center, then click on Details in the Enrollment Dates Section.

Students may begin enrolling in classes at the designated First-Pass appointment time(s).

There are no enrollment appointments on weekends and holidays.

Wait-list enrollment is available during the second pass (applies only to classes with wait listing through [MyUCSC](#)).

Enrollment Appointment FAQs are [available here](#).

## Final Examinations

Spring Quarter 2017

## Final Examination Schedule Revisions

Beginning fall quarter 2016, please note that changes were made to the final examination schedule.

The schedule for final examinations has been revised to add final examinations on Fridays during the fall and winter quarters in addition to the scheduled finals on Monday through Thursday. Spring final examinations will still be scheduled Monday through Thursday in spring 2017. The final examination schedules for fall 2016 and winter 2017 can be found below.

## Final Examination Policies

Final examinations are required in all undergraduate courses unless the department or other agency sponsoring the course has obtained permission from the Committee on Educational Policy to evaluate students in another manner. Final examinations are only given during the examination-week period at the time announced in the Schedule of Classes, usually in the same room used for class meetings during the quarter. No change in the time or date of a final examination may occur unless the course sponsoring agency has obtained the approval of the Committee on Educational Policy (CEP). Requests must be received by CEP not later than the first week of the quarter in which the course is occurring. Completion or submission of final examinations or papers for undergraduate courses is not allowed during the regular term's period of instruction, including the closed week before final examinations. When finals are administered (not during week 10), they must be completed at the scheduled examination time and may not require more than the scheduled three-hour time block. If a take-home examination is not assigned until the week designated for final examinations, it cannot require more than three hours to complete.

To avoid three final examinations on the same day, students may want to consider the final exam schedule when enrolling in courses.

Instructors may bar students from taking the examination if they arrive late. If a student misses an examination due to an unavoidable emergency, the instructor may agree to give an Incomplete and schedule a makeup examination provided that the student's work is passing up to that point. When a final examination is one of the regular requirements in a course, no one taking the course may be individually exempted from it. Travel plans for vacation are not an emergency, and should not be made without checking the final examination schedule.

## Closed Week

No examinations or tests other than laboratory exams, quizzes, or individual makeup exams may be given during the last week of instruction.

## Examination Retention

An instructor may release to individual students the original final examinations (or copies). Otherwise, the instructor will retain final examination materials at least until the end of the next regular term. During that time students will be allowed to review their examinations.

## Religious Observance

Given the diversity of religious practice within the campus community, academic and administrative units are encouraged to make reasonable accommodation when the schedule of a required campus event conflicts with an individual's religious creed. It is the official policy of the University of California, Santa Cruz, to accommodate, without penalty, requests for alternate examination times in cases where the scheduled time for the examination violates a student's religious creed.

Requests for accommodation for religious observance must be made directly to the faculty member in charge of the course within the first two weeks of the term or as soon as possible after an examination date is announced. Instructors are expected to make reasonable accommodation for such requests. Students who are unable to reach a satisfactory arrangement with an instructor should consult the head of the unit sponsoring the course.

## Accommodations for Disability

Students with documented disabilities that require examination modifications will be accommodated in compliance with state and federal laws. Reasonable accommodations will be made based on recommendations from the [Disability Resource Center](#).

## MyUCSC Portal Password

Your password is required each time you use the [MyUCSC portal](#). Your password is assigned to you when you receive your student identification number.

We strongly suggest that you change your password and set up a password hint the first time you access the [MyUCSC portal](#). You may select a minimum of eight characters (one character must be a numeral) as your new password. You may also change your password any time thereafter.

It is extremely important that your password remain confidential. Do not give it to anyone. If you forget your password or believe the privacy of your password has been compromised, email [help@ucsc.edu](mailto:help@ucsc.edu) to reset your password.

## Name Change

Name Change petitions are [available online](#) from the Office of the Registrar. A student who is currently enrolled or has applied to graduate and is requesting an official name change on his or her academic records must complete this form and present it, in person, at the Office of the Registrar. You must submit documentation showing legal change of name (court order) or use of requested name on official documentation (e.g., drivers license, social security card, passport, marriage certificate, etc.). You may also correct your name at the Office of the Registrar if, for example, it is misspelled or the punctuation is incorrect. Be prepared to show proof of the correctly spelled name.

When you file a Name Change petition, you may also order and pay for a new student ID card at the Bay Tree Bookstore Building.

## Nonrelease of Public Information

The following information is considered public information and may be disclosed: name, college or local address, email address, local telephone number, college and major field of

study, dates of attendance, class level, enrollment status, intercollegiate athlete's height and weight, and degrees and honors received.

To have this information withheld from release, go to the Personal Information area on the MyUCSC portal and select privacy settings from the drop-down menu. Be sure that you understand the implications of filing this request. Every single item listed above will be withheld.

Once a Request for Nonrelease of Public Information is filed, it remains in effect—even after you are no longer attending UCSC—until you request to rescind it via the [MyUCSC portal](#), or by letter.

## Transcript Information

A transcript is an official copy of a student's academic history at UCSC. Transcript requests are not processed if you have outstanding financial obligations to the university. If you received a message after ordering your transcripts that indicates you have a hold on your transcripts, please contact Student Business Services via email at [oarinfo@ucsc.edu](mailto:oarinfo@ucsc.edu). Two versions of your official UCSC student records are available from the Office of the Registrar: with or without evaluations. See [ordering transcripts](#) for information about ordering transcripts and for transcript fees.

Transcripts with evaluations include:

Courses graded P, A, B, C, D, F, W, or I. NP will appear for courses taken fall 2001 and after. The grades of A, B, C, and D may be modified by a plus (+) or minus (-). Incompletes lapse at the end of the subsequent quarter; in letter-graded courses, the I lapses to an F, in Pass/No Pass grading, to a No Pass.

Degrees awarded, honors, number of transfer credits, evaluations of courses, and an evaluation of comprehensive examination or senior thesis also appear.

Transcripts without evaluations include:

Courses graded P, A, B, C, D, F, W, or I. NP will appear for courses taken fall 2001 and after. The grades of A, B, C and D may be modified by a plus (+) or minus (-). Incompletes lapse at the end of the subsequent quarter; in letter-graded courses, the I lapses to an F, in Pass/No Pass grading, to a No Pass.

Degrees awarded, honors, and number of transfer credits also appear.

### Requesting a Transcript

The fastest way to order a transcript is via the web with a credit or debit card. Credit/debit card orders must be requested through Credential Solutions, a vendor that provides this service through an agreement with UC Santa Cruz. To use the online ordering system, go to [Ordering UCSC Transcripts](#). Under Ordering by Credit Card, select the Credential Solutions

icon. This is a secure, encrypted site. There is an additional \$2.75 service charge to use this service.

### **Transcript Availability**

Transcripts are available as follows:

- approximately 10 days after the end of the quarter to include grades, or
- approximately six weeks after the end of the quarter to include evaluations or a degree if applicable.

### **Processing/Mailing Time**

Allow one to two weeks for processing from the time your request is received by our office. During the peak period (November through February), processing may take longer.

Rush Service: For an additional \$23, you may request rush service. Rush service ensures your transcript order will be mailed no later than two business days from the day you receive the “Order Complete” email (excluding weekends, holidays, and campus closures).

You may request and pay an additional fee for your transcript to be mailed via next-day service. This service provides fast delivery and a receipt that the transcript was received by the recipient. This service expedites transit time, not processing time. Federal Express is used for all destinations, and it will not deliver to post office box addresses or on weekends. The additional charge for Federal Express within the U.S. is \$20 for up to five transcripts going to the same address. The additional charge for Federal Express outside the U.S. is \$30 per transcript (with or without evaluations). Please note that if the appropriate fee has not been received for next-day service, your transcript will be sent via regular mail.

### **UCSC Extension Transcripts**

Transcripts for UC Extension courses can be found at the UC Extension Student Services web site.

## **Title IX Officer/Sexual Harassment Officer**

The Title IX Office provides assistance in resolving and investigating complaints of sexual harassment and sexual violence (sexual assault, dating violence, domestic violence, and stalking). Additionally, we provide education and training to prevent and raise awareness and expand understanding of sexual harassment and sexual violence. To report a possible Title IX violation or to ask questions about the Title IX reporting process please contact Tracey Tsugawa at (831)459-2462. Copies of the [UC Sexual Violence and Sexual Harassment Policy](#) and the [UC Santa Cruz Title IX Procedures](#) are available to all students, faculty, and staff by contacting Tracey Tsugawa, Title IX Officer, at (831) 459-2462, or by email at [ttsugawa@ucsc.edu](mailto:ttsugawa@ucsc.edu). For information about how to support survivors and resources that are available, please visit the [safe.ucsc.edu website](http://safe.ucsc.edu). The [Title IX Office](#) is also

available to investigate other violations of Title IX, such as sex/gender discrimination in student services or academic programs.

#### Pass/No Pass Grading Option

Students may elect the Pass/No Pass grading option and may change their grading option in a course up to the 15th day of instruction. For the Pass/No Pass option, students receive a P for work that is performed at C or clearly passing level or better. For work that is not clearly passing, no academic credit is awarded; and students receive a NP (No Pass). Beginning fall 2001, the grade notation NP appears on the official transcript in all cases, regardless of when a student was admitted. For work that is passing, but incomplete, the grade notation I (Incomplete) may be issued.

## Letter Grading Option

Before the Grade Option deadline (the 15th day of instruction), confirm your letter grade request for each course on the MyUCSC portal.

## In Progress Notations

The notation IP (In Progress) is reserved for a single course extending over two or three terms of an academic year. The grade for such a course may be awarded at the end of the course and shall then be recorded as applying to each of the terms of the course. A student satisfactorily completing only one or two terms of a course, extending over two or three terms of an academic year, will be given grades for those terms. The grade option selected in the first quarter of the multiple term sequence applies to all quarters of the sequence.

## Grade Changes

Incomplete grade notations of "I" must be changed to final grades, based upon work submitted to the instructor, within the deadline for Incompletes. Other grade changes can be made by the instructor only on the basis of clerical or procedural error and never on the basis of reexamination or completion of additional work.

## Accessing Grades

You may access your grades for any quarter via the MyUCSC portal. Grades are usually available about one week after the end of the quarter.

## Catalog Rights

Effective for all undergraduates who entered in fall quarter 1993 or after, students may follow the degree requirements from either the UCSC General Catalog published at the time of entering UCSC or subsequent catalog(s). Students need not follow a catalog in its entirety, but may elect to follow different catalog years for their college requirements, university and general education requirements, the requirements of their major(s), and the requirements of any minor(s).

Catalog year will initially be set for the first year of enrollment at UCSC. Students may elect to follow requirements from other catalog year(s) when filing the Proposed Study Plan/Declaration of Major/Minor. All requirements for graduation outlined in the catalog(s)

selected must be met before graduation. Changing catalog year(s) is done by submitting a new Proposed Study Plan/Declaration of Major/Minor.

Students transferring from other collegiate institutions may elect to meet as graduation requirements one of the following:

- those in effect at the time of transfer to UCSC;
- those subsequently established; or
- those in effect when the student entered a previous collegiate institution, provided that entry was not more than three years prior to the
- time of transfer to UCSC.

Students who seek readmission to UCSC after a break in attendance greater than two years (six regular quarters) must adhere to the graduation requirements in effect at the time of readmission or those subsequently established.

Students who entered prior to 1993 should see an adviser. Their catalog year(s) for graduation, whether the year they entered UCSC or subsequent year(s), will be decided at the discretion of their major department and/or their college.

## Undergraduates Who Entered UCSC Prior to Fall 1997

Guidelines for undergraduates who entered UCSC between fall 1997 and spring 2001 also apply to undergraduates who entered UCSC prior to fall 1997, with the following exception: those who entered prior to fall 1997 may elect letter grades, but a grade-point average will not be displayed on the official transcript. All undergraduates, regardless of when they entered UCSC, must meet the UC minimum GPA requirement in order to receive a degree from the University of California: 2.0 calculated from all UCSC letter-graded courses and from all letter-graded courses taken at other UC campuses and through the Education Abroad Program.

## Grade Point Average

---

The grade point average is determined by dividing the number of grade points earned by the number of letter grade. The number of grade points earned for a course equals the number of grade points assigned to the letter grade multiplied by the number of course credits. For example, suppose a student takes three 5-credit courses and receives (

### Grade Point Average

Grade	Grade Points*	Course Credits	Total Grade Points
A-	3.70	5	18.50
B-	2.70	5	13.50
C+	2.30	5	11.50
Total		15	43.50

**43.50 divided by 15 = 2.90 GPA**

Grade points are assigned to each letter grade as shown below.

Grades shown in **bold** (W, I, IP, P, NP) are not included in the UCSC GPA.

A+ = 4.00	B+ = 3.30	C+ = 2.30	D+ = 1.30	F = 0.00
A = 4.00	B = 3.00	C = 2.00	D = 1.00	W = 0.00
A- = 3.70	B- = 2.70	C- = 1.70	D- = 0.70	I = 0.00

## Graduate Students

### Satisfactory/Unsatisfactory Grading and the Letter Grade Option

Beginning fall 1997, all graduate students in graduate or undergraduate courses will be graded Satisfactory (S), Unsatisfactory (U), or Incomplete (I). Graduate students also have the option of receiving a D, or F in most courses. The grades of A or B shall be awarded for satisfactory work. Grades of C or D shall be awarded for unsatisfactory work. Grades of E or F shall be awarded for incomplete course requirement for a graduate degree at UCSC.

In order to receive a letter grade, you must enter your letter grade request no later than the 15th day of the quarter in each quarter.

## Evaluations

Graduate students receive an evaluation for all courses except those with no credit value.

## Incompletes

An Incomplete (I) grade notation may be assigned when the graduate student's work is of passing quality but does not meet the Graduate Student Handbook for complete instructions about arrangements to receive and to remove an Incomplete notation.

## In Progress

The notation IP (In Progress) is restricted to certain sequential courses that extend over two or three quarters of an academic year. The grade option you select in the first quarter of the multiple term sequential sequence. You receive the same notation for each course upon completion of the two- or three-quarter sequence, and the final grade is applied to all quarters.

## Repeating Courses

Graduate students may repeat a course in which they earn a grade of C, D, F, or U. Degree credit for a course is granted only once, and the most recently earned grade will be used to determine whether a degree requirement is satisfied.
