

Printing from MyUCSC - Mac

Step 1 – Indicate the desired area

- Click anywhere within the page or section of the page you want to print.

Step 2 – Configure the print options

- Under the **File** menu, select **Print**. The Print window appears.
- Select the browser you are using.
- Click the radio button for “**The selected frame**”.
- Click **Print**.

Depending on which operating system you are using, your Print window will look slightly different.
